You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	We successfully completed our two fundraising events: i) the Regency 10K Run, and ii) Santa Sleigh Collections and thus met our annual objectives raising significant funds through these events as shown in our accounts. This ensured that we were successfully able to donate funds of £19605 back to the local Warwickshire community across a range of diverse organisations supporting the enrichment and betterment of the community.
Performance of fundraising activities against objectives set	Para 1.41	We achieved and performed successfully against our objectives as we raised over £72,000 in income through our two main fundraising events: i) the Regency 10K Run and ii) Santa Sleigh Collections.
Investment performance against objectives	Para 1.41	I confirm we do not participate in any investment activity.
Other		As a charity we have also taken a decision in addition to local causes to support some international causes, when our trustees deem they are critical and required funding. In the coming years we may further donate to international causes.

Trustees' Annual Report for the period**From: Period start date** 1st April 2021 **To: Period end date** 31st March 2022**Charity name:** LEAMINGTON ROUND TABLE NUMBER 164**Charity registration number:** 1194502**Financial Review**

Review of the charity's financial position at the end of the period	Para 1.21	Review: Period Receipts: £72,796 Period Payments: £48,806 (including donations to charities totalling £19,605) Period Net of Receipts: £23,990 Cash funds last FY: £49,485 Cash funds this period: £73,475
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Reserves are held to guard against risk. For example, our main fundraising events may not take place for a variety of uncontrollable reasons (e.g., pandemic; council doesn't grant permission; bad weather, etc). Therefore, it is vital we hold reserves of a minimum of £25,000 per period, so we can still operate as a successful charity and support the community even if our fundraising events do not go ahead.
Amount of reserves held	Para 1.22	£73,475 of net cash funds held - this can be perceived as high because the charity wishes to guard against any risk of fundraising events not taking place due to unforeseen circumstances.
Reasons for holding zero reserves	Para 1.22	This is not applicable as we do not hold zero reserves
Details of fund materially in deficit	Para 1.24	This is not applicable as all funds held are unrestricted, and as commented above are held in surplus.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	I can confirm we do not have any uncertainties about the charity continuing as a going concern.
