**Notes to the accounts (Paras 2 to 12 are to be completed by all funds which have a gross income of £100K or over and those funds already registered with the Charity Regulator, all other funds are to complete Paras 6 and 7 and the declarations at Para 12):**

1. Principal Accounting Policies

a. Accounting Convention. The financial statements are prepared under the historical cost convention as modified by the inclusion of investments at market value and in accordance with applicable accounting standards. In preparing the financial statements the charity follows best practice as set out in the Statement of Recommended Practice "Accounting and reporting by Charities" (SORP) 2005 (<http://www.charitycommission.gov.uk/investigations/sorp/sorp05docs.asp>)

b. Incoming Resources. Income is recognised in the period in which the charity is entitled to receipt, and the amount can be measured with reasonable certainty. Grants from other agencies including donations and other income from activities are in furtherance of the charity's objects and are part of the general funds of the charity. A restricted fund is only recognised where this is an agreed and explicit condition of the grant or donor.

c. Intangible Income. Due to the close collaborative relationship and the manner in which the charity's activities compliment those of the Army, intangible income, reflected in time and use of premises is not quantifiable or measurable and so is not recognised in the accounts.

d. Resources Expended and Basis of Allocation of costs. Expenditure is included when incurred or exceptionally where a commitment is made which requires an accrual when payment is to be made in the subsequent accounting period. Similarly, where prepayments are made in recognition of commitments falling due in a subsequent accounting period, the appropriate credit is entered in the accounts and reversed the following year. Grants payable are included in the SOFA when approved by the Managing Trustee. Expenditure is recognised in the period in which it is incurred. The majority of costs are directly attributable to specific activities. Irrecoverable VAT is charged to the annual report and accounts.

e. Governance Costs. Governance costs are the costs of professional advice, holding trustee meetings or committee meetings associated with decision making, any fee for audit or independent examination and any fee incurred in the preparation, statutory filing, printing or copying of the annual report and accounts.

f. Capitalisation and Depreciation of Tangible Fixed Assets. All assets having a purchase value of more than £500 are capitalised. The cost of tangible fixed assets are written off by equal annual instalments over their expected useful lives using the following methods of depreciation:

|                                   |   |                                              |
|-----------------------------------|---|----------------------------------------------|
| Furniture, fixtures and equipment | - | Straight Line over a period of 2 - 10 years. |
| Motor vehicles                    | - | Straight Line over a period of 2 - 10 years. |

Assets with a life of more than one year but with a purchase value of below £500 are included within the inventory but the cost is written off in the year it is incurred and is not depreciated over the useful life of the asset. Where the asset is depreciated over a period of more than 10 years, details of the item and period are to be provided following the notes on page 13.

g. Fixed Asset Investment. Fixed asset investments are included at market value at the balance sheet date. Any gain or loss on revaluation is shown in the Statement of Financial Activities (SOFA) on page 2.

h. Stocks. Purchased stocks are valued at the lower cost or net realisable value making due allowance for any obsolete or slow-moving items.

i. Funds Accounting. Funds held by the charity are:

(1) General Purpose/Unrestricted/Designated Funds. These are funds that can be used in accordance with the charitable objects at the discretion of the Managing Trustee. Designated funds are unrestricted funds which have been allocated/earmarked for a particular purpose by the Managing Trustee and are to be declared in the Managing Trustee's comments in accordance with Para 12 to these notes stating what they are intended to be used for and when.

(2) Endowment Funds. Endowment funds are those investments and other gifts accepted by the unit, the capital sum or property being held in perpetuity and the income only being available for charitable use.

(3) Restricted Funds. These are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Further explanation of the nature and purpose of each fund is to be included in the notes to the accounts.

j. Heritage Assets. In the course of the unit's history, the charity may have acquired gifts, memorabilia, regalia, silverware, antiques and other historical artefacts in the course of distinguished military service in service of the Crown. The value of these pieces is in large part derived from their close association with Regimental history which precludes the use of conventional valuation techniques being applied. Whilst the objects of the charity do not specifically include preservation and conservation, the pieces represent an essential element of celebrating the unit's history and foster esprit-de-corps. Consequently the Managing Trustee considers the charity to hold heritage assets both for functional use and as an element of national history on behalf of the nation. Heritage assets acquired prior to 1 Apr 06 are therefore not capitalised on the balance sheet but a description of those assets is disclosed as part of the notes to the accounts. Heritage assets acquired after 1 Apr 06 where the purchase price is known and which exceed £500.00 are included in the balance sheet at acquisition value but are not depreciated.

k. Other Costs. Other costs are those costs not incurred in the undertaking of charitable activity in furtherance of the objects of the charity, i.e. the provision of facilities, recreational programmes or activities in furtherance of military efficiency. They are also costs incurred in the making of grants and donations, in the costs of generating funds, i.e. the costs incurred in trading or fundraising undertaken by the charity, or in governance costs.

2. Grants Made. (if total grants are over 5% of the charity's total expenditure).

3. Related Party Transactions & Remuneration and Expenses

Whilst the charity has a close working relationship with the Army, there are no transactions with the Army which require disclosure under SORP 2005. The only transactions made by the charity in favour of the unit are wholly attributable to the charitable activities of furthering military efficiency. The Managing Trustee is an officer or equivalent and fulfils the role as trustee in accordance with the applicable laws and regulations. No expenses have been paid to the trustee. In the event that expenses have been paid to the trustee these are disclosed under the Managing Trustee's comments.

Additional comments:

1. **General comments.** I appreciate the RA efforts and the fund in general is healthy and managed correctly. All documents are signed accordingly and a 6m health check was conducted mid year. I recognise the funds movement in and out are relatively low when you remove the HOPLITE funds moved in by mistake. I will look to drive more engagement from the Sqn inc IXW setting up a Sqn Fund.

| Public Benefit Statement                | <p>This fund provides public benefit by assisting service personnel to more effectively perform their roles within the Armed Forces of the Crown. This assistance enables service personnel to face the challenges and danger associated with military service by developing and maintaining teamwork; skills; fitness; confidence, character, spirit and attitude; and morale*. As a result the fund promotes the efficiency of the Armed Forces of the Crown by enhancing the British Army's capability to undertake the roles demanded of it including the defence of the United Kingdom and its interests.</p> <p>I confirm that I have paid due regard to the Charity Commission of England and Wales's guidance on public benefit when deciding what activities the charity should undertake.</p> |

Additional comments (include any declarations which were not correct (Pg 12/13)):

The PRI is usually the life blood of a Regt and good PRI management and expenditure should be reflected as a metric of unit health. However, the units HOPLITE charity intertwines with the PRI making the ability to spend money in other areas easier with less burden on the PRI. I would like the PRI to be supported more and used more by Regt and will ask my SSMs at the next PRI meeting for ideas to improve subscriptions. I note the fund is in good health yet more could be done to improve the overall turnover. It is noted that there is a lack of requests for funding.

## Internal Auditor's/Audit Board Report

1. \*I/We have examined the books of account and records from which the final accounts were prepared and have obtained all the information and explanations that were necessary for the purpose of \*my/our internal audit.
2. \*I/We certify that end of period checks have been conducted in accordance with Service Funds Regulations.
3. Subject to the observations given below \*I am/we are satisfied that proper books of account have been kept and that the final accounts give a true and fair view of the results of transactions over the period and of the state of the Fund's affairs as at the date of the balance sheet. Subject also to \*my/our observations \*I am/we are satisfied that cash and bank balances and stocks on hand have been properly checked at prescribed intervals and that adequate insurance exists.
4. \*I/We have stamped and the original books of account and the original records \*I/we have checked. All vouchers relating to this account have been cancelled.
5. \*I/We have made the following observations whilst carrying out the internal audit:
  - a. Previous observations \*have been actioned (list those observation outstanding).
  - b. **Management.** The PRI Fund has had an ever present FM who understands the Funds purpose and has conducted various checks monthly and completed the 6m health check in year. The RA has been changed 3 times in the year with various degrees of experience with some assistance from other units in the daily processes. Some bookings of income and expenditure have been done incorrectly as shown in the analysis forms in the GCODES but overall this doesn't effect the funds held. The PRI overall saw a decrease of £1,034.05 with a net expenditure of £35,174.85 overall. The fund is healthy and being used correctly however with the HOPLITE fund acting as additional support maybe not utilised enough.
  - c. **Fund Manager Monthly Check.** The fund manager conducts his checks monthly and receives an IA monthly email and 1/4 report through the SFM.
  - d. **Stock Checks.** Stock write-off action happened in year, however the RA didn't apply the stock balance procedure at year end resulting in -100% This stock action will be reverted to 0 soonest as not held.
  - e. **Property.** Property depreciation is also not conducted in line with policy but will be realigned in year to reflect 25% depreciation
  - f. **Write Off Action.** See comments at stock checks.
  - g. **Investments.** Generated through Bank interest total of £931.54 over the year gained.
  - h. **Restricted Funds.** On review there are a couple of RCODE that need to be deleted as they are no longer in use. All longer then 6m RCODE have charters to reflect the purpose of the fund. Within the gain-share and Sqn gain-share one of the RA has book expenditure through a income GCODE resulting in a (-) figure on the RCODE incoming resources sheet, this doesn't effect the RCODE balances but isn't correct for end of year processes. New RA has been advised to take care booking in relative GCODES and I expect better processes in year 24/25.
  - i. **Transfers.** Internal transfer for £46 is for the closing down of RCODE015 families day which had a remaining balance of £46 moved to GFP.
  - j. **Excessive income.** GCODE 304 unknown BACS received HOPLITE charity income into the central bank instead of the HOPLITE CB this is captured here and moved out accordingly.

## Comd/SO2 SPS - Independent Examiner's report on the Accounts, and Comments

### Respective Responsibilities of Trustees and Examiner

The Charity's Trustees are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the Act) and that an independent examination is needed.

It is my responsibility to:

- a. Examine the accounts (under section 43(3)(a) of the Act).
- b. Follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 43(7)(b) of the Act).
- c. State whether particular matters have come to my attention.

### Basis of Independent Examiner's Statement

My examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

### Independent Examiner's Statement

In connection with my examination, no matter has come to my attention (other than those disclosed overleaf\*):

- a. Which gives me reasonable cause to believe that in any material respect the requirements:
  - (1) To keep accounting records in accordance with section 41 of the 1993 Act:
  - (2) To prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act:

have not been met.

- b. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

\* Delete as applicable.

**Notes to the accounts (Paras 2 to 12 are to be completed by all funds which have a gross income of £100K or over and those funds already registered with the Charity Regulator, all other funds are to complete Paras 6 and 7 and the declarations at Para 12):**

1. Principal Accounting Policies

a. Accounting Convention. The financial statements are prepared under the historical cost convention as modified by the inclusion of investments at market value and in accordance with applicable accounting standards. In preparing the financial statements the charity follows best practice as set out in the Statement of Recommended Practice "Accounting and reporting by Charities" (SORP) 2005 (<http://www.charitycommission.gov.uk/investigations/sorp/sorp05docs.asp>)

b. Incoming Resources. Income is recognised in the period in which the charity is entitled to receipt, and the amount can be measured with reasonable certainty. Grants from other agencies including donations and other income from activities are in furtherance of the charity's objects and are part of the general funds of the charity. A restricted fund is only recognised where this is an agreed and explicit condition of the grant or donor.

c. Intangible Income. Due to the close collaborative relationship and the manner in which the charity's activities compliment those of the Army, intangible income, reflected in time and use of premises is not quantifiable or measurable and so is not recognised in the accounts.

d. Resources Expended and Basis of Allocation of costs. Expenditure is included when incurred or exceptionally where a commitment is made which requires an accrual when payment is to be made in the subsequent accounting period. Similarly, where prepayments are made in recognition of commitments falling due in a subsequent accounting period, the appropriate credit is entered in the accounts and reversed the following year. Grants payable are included in the SOFA when approved by the Managing Trustee. Expenditure is recognised in the period in which it is incurred. The majority of costs are directly attributable to specific activities. Irrecoverable VAT is charged to the annual report and accounts.

e. Governance Costs. Governance costs are the costs of professional advice, holding trustee meetings or committee meetings associated with decision making, any fee for audit or independent examination and any fee incurred in the preparation, statutory filing, printing or copying of the annual report and accounts.

f. Capitalisation and Depreciation of Tangible Fixed Assets. All assets having a purchase value of more than £500 are capitalised. The cost of tangible fixed assets are written off by equal annual instalments over their expected useful lives using the following methods of depreciation:

|                                   |   |                                              |
|-----------------------------------|---|----------------------------------------------|
| Furniture, fixtures and equipment | - | Straight Line over a period of 2 - 10 years. |
| Motor vehicles                    | - | Straight Line over a period of 2 - 10 years. |

Assets with a life of more than one year but with a purchase value of below £500 are included within the inventory but the cost is written off in the year it is incurred and is not depreciated over the useful life of the asset. Where the asset is depreciated over a period of more than 10 years, details of the item and period are to be provided following the notes on page 13.

g. Fixed Asset Investment. Fixed asset investments are included at market value at the balance sheet date. Any gain or loss on revaluation is shown in the Statement of Financial Activities (SOFA) on page 2.

h. Stocks. Purchased stocks are valued at the lower cost or net realisable value making due allowance for any obsolete or slow-moving items.

i. Funds Accounting. Funds held by the charity are:

(1) General Purpose/Unrestricted/Designated Funds. These are funds that can be used in accordance with the charitable objects at the discretion of the Managing Trustee. Designated funds are unrestricted funds which have been allocated/earmarked for a particular purpose by the Managing Trustee and are to be declared in the Managing Trustee's comments in accordance with Para 12 to these notes stating what they are intended to be used for and when.

(2) Endowment Funds. Endowment funds are those investments and other gifts accepted by the unit, the capital sum or property being held in perpetuity and the income only being available for charitable use.

(3) Restricted Funds. These are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Further explanation of the nature and purpose of each fund is to be included in the notes to the accounts.

j. Heritage Assets. In the course of the unit's history, the charity may have acquired gifts, memorabilia, regalia, silverware, antiques and other historical artefacts in the course of distinguished military service in service of the Crown. The value of these pieces is in large part derived from their close association with Regimental history which precludes the use of conventional valuation techniques being applied. Whilst the objects of the charity do not specifically include preservation and conservation, the pieces represent an essential element of celebrating the unit's history and foster esprit-de-corps. Consequently the Managing Trustee considers the charity to hold heritage assets both for functional use and as an element of national history on behalf of the nation. Heritage assets acquired prior to 1 Apr 06 are therefore not capitalised on the balance sheet but a description of those assets is disclosed as part of the notes to the accounts. Heritage assets acquired after 1 Apr 06 where the purchase price is known and which exceed £500.00 are included in the balance sheet at acquisition value but are not depreciated.

k. Other Costs. Other costs are those costs not incurred in the undertaking of charitable activity in furtherance of the objects of the charity, i.e. the provision of facilities, recreational programmes or activities in furtherance of military efficiency. They are also costs incurred in the making of grants and donations, in the costs of generating funds, i.e. the costs incurred in trading or fundraising undertaken by the charity, or in governance costs.

2. Grants Made. (if total grants are over 5% of the charity's total expenditure).

The charity made the following grants/donations:

3. Related Party Transactions & Remuneration and Expenses

Whilst the charity has a close working relationship with the Army, there are no transactions with the Army which require disclosure under SORP 2005. The only transactions made by the charity in favour of the unit are wholly attributable to the charitable activities of furthering military efficiency. The Managing Trustee is an officer or equivalent and fulfils the role as trustee in accordance with the applicable laws and regulations. No expenses have been paid to the trustee. In the event that expenses have been paid to the trustee these are disclosed under the Managing Trustee's comments.

Additional comments:

1. **General comments.** I appreciate the RA efforts and the fund in general is healthy and managed correctly. All documents are signed accordingly and a 6m health check was conducted mid year. I recognise the funds movement in and out are relatively low when you remove the HOPLITE funds moved in by mistake. I will look to drive more engagement from the Sqn inc IXW setting up a Sqn Fund.

| Public Benefit Statement                | <p>This fund provides public benefit by assisting service personnel to more effectively perform their roles within the Armed Forces of the Crown. This assistance enables service personnel to face the challenges and danger associated with military service by developing and maintaining teamwork; skills; fitness; confidence, character, spirit and attitude; and morale*. As a result the fund promotes the efficiency of the Armed Forces of the Crown by enhancing the British Army's capability to undertake the roles demanded of it including the defence of the United Kingdom and its interests.</p> <p>I confirm that I have paid due regard to the Charity Commission of England and Wales's guidance on public benefit when deciding what activities the charity should undertake.</p> |

Additional comments (include any declarations which were not correct (Pg 12/13)):

The PRI is usually the life blood of a Regt and good PRI management and expenditure should be reflected as a metric of unit health. However, the units HOPLITE charity intertwines with the PRI making the ability to spend money in other areas easier with less burden on the PRI. I would like the PRI to be supported more and used more by Regt and will ask my SSMs at the next PRI meeting for ideas to improve subscriptions. I note the fund is in good health yet more could be done to improve the overall turnover. It is noted that there is a lack of requests for funding.

## Internal Auditor's/Audit Board Report

1. \*I/We have examined the books of account and records from which the final accounts were prepared and have obtained all the information and explanations that were necessary for the purpose of \*my/our internal audit.
2. \*I/We certify that end of period checks have been conducted in accordance with Service Funds Regulations.
3. Subject to the observations given below \*I am/we are satisfied that proper books of account have been kept and that the final accounts give a true and fair view of the results of transactions over the period and of the state of the Fund's affairs as at the date of the balance sheet. Subject also to \*my/our observations \*I am/we are satisfied that cash and bank balances and stocks on hand have been properly checked at prescribed intervals and that adequate insurance exists.
4. \*I/We have stamped and the original books of account and the original records \*I/we have checked. All vouchers relating to this account have been cancelled.
5. \*I/We have made the following observations whilst carrying out the internal audit:
  - a. Previous observations \*have been actioned (list those observation outstanding).
  - b. **Management.** The PRI Fund has had an ever present FM who understands the Funds purpose and has conducted various checks monthly and completed the 6m health check in year. The RA has been changed 3 times in the year with various degrees of experience with some assistance from other units in the daily processes. Some bookings of income and expenditure have been done incorrectly as shown in the analysis forms in the GCODES but overall this doesn't effect the funds held. The PRI overall saw a decrease of £1,034.05 with a net expenditure of £35,174.85 overall. The fund is healthy and being used correctly however with the HOPLITE fund acting as additional support maybe not utilised enough.
  - c. **Fund Manager Monthly Check.** The fund manager conducts his checks monthly and receives an IA monthly email and 1/4 report through the SFM.
  - d. **Stock Checks.** Stock write-off action happened in year, however the RA didn't apply the stock balance procedure at year end resulting in -100% This stock action will be reverted to 0 soonest as not held.
  - e. **Property.** Property depreciation is also not conducted in line with policy but will be realigned in year to reflect 25% depreciation
  - f. **Write Off Action.** See comments at stock checks.
  - g. **Investments.** Generated through Bank interest total of £931.54 over the year gained.
  - h. **Restricted Funds.** On review there are a couple of RCODE that need to be deleted as they are no longer in use. All longer then 6m RCODE have charters to reflect the purpose of the fund. Within the gain-share and Sqn gain-share one of the RA has book expenditure through a income GCODE resulting in a (-) figure on the RCODE incoming resources sheet, this doesn't effect the RCODE balances but isn't correct for end of year processes. New RA has been advised to take care booking in relative GCODES and I expect better processes in year 24/25.
  - i. **Transfers.** Internal transfer for £46 is for the closing down of RCODE015 families day which had a remaining balance of £46 moved to GFP.
  - j. **Excessive income.** GCODE 304 unknown BACS received HOPLITE charity income into the central bank instead of the HOPLITE CB this is captured here and moved out accordingly.

## Comd/SO2 SPS - Independent Examiner's report on the Accounts, and Comments

### Respective Responsibilities of Trustees and Examiner

The Charity's Trustees are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the Act) and that an independent examination is needed.

It is my responsibility to:

- a. Examine the accounts (under section 43(3)(a) of the Act).
- b. Follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 43(7)(b) of the Act).
- c. State whether particular matters have come to my attention.

### Basis of Independent Examiner's Statement

My examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

### Independent Examiner's Statement

In connection with my examination, no matter has come to my attention (other than those disclosed overleaf\*):

- a. Which gives me reasonable cause to believe that in any material respect the requirements:
  - (1) To keep accounting records in accordance with section 41 of the 1993 Act:
  - (2) To prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act:

have not been met.

- b. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

\* Delete as applicable.
