

Ankoma Outreach

Trustees Annual Report - October 2023

Another successful year with Ankoma Outreach – fundraising is always a challenge, especially with the cost of living and coming out of the Covid Pandemic but it's been fulfilling to have more volunteers fundraising with various campaigns and events, and our regular donors continuing to give.

The successful volunteer season has definitely contributed towards another great year, with more and more individuals from across the UK now knowing and understanding about Ankoma Outreach and it's aims and objectives. Word of mouth has certainly helped in terms of growing our following and fundraising across the country.

We hope to have a successful 2022/24 and to hit targets set out as trustees and with our volunteers too.
