TWO HANDS CHARITABLE TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 OCTOBER 2023

The Trustees are pleased to present their annual Trustees Report together with the financial statements of Two Hands Charitable Trust for the year ended 31 October 2023.

The financial statements comply with the Charities Act 2011 and Accounting and Reporting by Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019.)

Structure, management and objectives

Two Hands Charitable Trust is a Charitable Incorporated Organisation and was registered on 4 June 2021 under charity number 1194683.

The Trustees who served during the year were:

Riyaz Hussein Rajabali
Hasnain Roshanali Merali
Mohamed Roshanali Merali Dewji
Abbasali Merali
Hyderali Zafferali Dato

Objectives and activities

The Charity's Objective as set out in its governing document are for the public benefit to further such purposes which are exclusively charitable under the laws of England and Wales, as the trustees see fit from time to time.

Achievement and performance

During the year the Charity received donations of £2,509,695 (2022: £3,287,144).

The Charity continues to hold a property valued at £1,300,000, which will be utilised for charitable purposes and is treated as Programme Related Investment. The charity made grants of £767,943 (2022: £1,891,665) to UK registered charities.

The Charity has a subsidiary organisation, Mehfil e-Ali Foundation a not-for-profit organisation, based in The Hague, in the Netherlands. The organisation had a property utilised for programmes and hence it is recognised at cost. Depreciation will be provided in future years, once the property is utilised.

TWO HANDS CHARITABLE TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 OCTOBER 2023

Key management personnel

All administrative tasks were carried out by the Trustees, who are also the key management personal of the charity. The trustees are not remunerated for their services to the charity. The charity does not employ any paid staff.

Risk Review

The Trustees have identified the main areas where risk may occur:

1. Governance – how strategic priorities are set, and decision making is carried out, with regards to the future activities of Two Hands Charitable Trust, as well as compliance with is regulatory duties.
2. Grant Management – assessing the risks inherent in the charity's operation with regards to its grant making including how grants are made, who they are given to, and adapting the needs of the beneficiaries to respond quickly whilst ensuring its adherence to the charitable objectives.
3. External – assessing the risks that can arise as a result of political, social and economic change, as well as possible damage to the Charity's reputation due to adverse publicity or failed partnership.

Public Benefit

The Trustees confirm that they have referred to the Charity Commissions' general guidance on Public Benefit when reviewing and shaping the charity's aims and objectives. The charity works to ensure that its programs are inclusive, accessible, and responsive to the needs of the beneficiaries.

Reserve Policy

As the charity does not have any staff or rent for the premises, the need to hold any reserves is not necessary except for the small amount that may be required to pay for ongoing maintenance for the property held by the subsidiary. 6 month's equivalent of the expenditure will be less than £15,000. The actual reserves of the charity at 31 October 2023 was £1,773,498 (2022: £75,161) in addition to the two properties treated as designated funds. The trustees have planned to make significant grants in the year ended 31 October 2024 and this should reduce the current reserves.

Financial Review

Income for the period was £2,509,695, derived from donations. Expenditure for the year was £822,558 of which £767,943 were grants paid to other UK Charities, £41,615 were general administrative expenses and £13,000 related to depreciation.

Plans for the Future

The charities group main aspiration is to continue to push and venture forward with development plans for further grants to other UK registered charities.

TWO HANDS CHARITABLE TRUST

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 OCTOBER 2023

Statement of Trustees Responsibilities

Law applicable to charities in England and Wales requires Trustees to prepare financial statements for each financial year, which give a true and fair view of the Trust's financial activities during the period and of its financial position at the end of the period. In preparing financial statements that give a true and fair view, the Trustees should follow best practice and

- Select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards and Statements of Recommended Practice have been followed, subject to any departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the Trust will be able to continue in operation.

The Trustees of the Trust are responsible for safeguarding the assets of the Trust, and hence for taking reasonable steps for the prevention and detection of error, fraud and other irregularities. They are also responsible for keeping accounting records which disclose, with reasonable accuracy, the financial position of the Trust at any time, and which enable them to ascertain the financial position of the Trust and ensure that the financial statements comply with the Charities Act 2011.

Signed on behalf of the Board of Trustees on 28 June 2024.

Hasnain Merali
Trustee

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF TWO HANDS CHARITABLE TRUST

Opinion

We have audited the financial statements of Two Hands Charitable Trust for the year ended 31 October 2023 which comprise the Consolidated Statement of Financial Activities, the Group and Charity Balance Sheets, the Consolidated Statement of Cash Flow and the related notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the group's and of the parent charity's affairs as at 31 October 2023 and of the group's net movement in funds for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder. We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent charity; or
- sufficient accounting records have not been kept; or
- the parent charity financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF TWO HANDS CHARITABLE TRUST

Responsibilities of trustees for the financial statements

As explained more fully in the trustees' responsibilities statement set out on page 4, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group's and the parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or the parent charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the group and the environment in which it operates, we identified that the principal risks of non-compliance with laws and regulations relates to the regulatory requirements of Charity Law and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Charities Act 2011 and the application of FRS 102.

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to application of controls around authorisation of journals and, expenditure and payments. Audit procedures performed by the engagement team included:

- Enquiries of management regarding correspondence with regulators;
- Discussions with management including consideration of known or suspected instances of non-compliance with laws and regulation and fraud;
- Evaluating management's controls designed to prevent and detect irregularities;
- Identifying and testing journals, in particular, journal entries, postings by unusual users or with unusual descriptions; and
- Challenging assumptions and judgements made by management in their critical accounting estimates;
- Reviewing the procedures around authorisation of payments.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF
TWO HANDS CHARITABLE TRUST**

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 144 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's trustees as a body for our audit work, for this report, or for the opinions we have formed.

TWO HANDS CHARITABLE TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 OCTOBER 2023

1. ACCOUNTING POLICIES

Basis of Preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP 2015 (Second Edition, effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Two Hands Charitable Trust meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going Concern

Given the charity's donations received in the year and an agreement with the donor to fund further work, the Trustees consider that the charity has adequate resources to continue in operational existence for the foreseeable future, including the next 12 months from the date of signing these financial statements. The Trustees also consider that the aforementioned resources would allow the charity to meet its obligations and debt as they fall due. Accordingly the financial statements have been prepared on a going concern basis.

Basis of Consolidation

The financial statements consolidate the results of the charity and its wholly owned subsidiary Mehfil e-Ali Foundation on a line-by-line basis. A separate Statement of Financial Activities and Income and Expenditure Account for the charity has not been presented because the charity has taken advantage of the exemption afforded by the Charities Act 2011.

Income

All income is recognised once the charity has entitlement to income, it is probable that income will be received and the amount of income receivable can be measured reliably.

Donations

Donations income is accounted where there is entitlement, probability and is measurable.

Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category.

Value added tax

Value added tax not recoverable is included in the relevant costs in the Statement of Financial Activities.

Tangible Fixed Assets

Tangible fixed assets are stated at cost, less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful life.

The building held by the charity is currently unoccupied and will be depreciated as soon as its occupied. Programme Related Investments is depreciated over 50 years on a straight line basis

TWO HANDS CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 OCTOBER 2023

1. ACCOUNTING POLICIES (continued)

Fund Accounting

General funds are unrestricted funds which can be used at the discretion of the Trustees in accordance with the objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes.

Financial instruments

Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost with the exception of investments which are held at fair value. Financial assets held at amortised cost comprise cash at bank and in hand, together with trade and other debtors. A specific provision is made for debts for which recoverability is in doubt. Cash at bank and in hand is defined as all cash held in instant access bank accounts and used as working capital. Financial liabilities held at amortised cost comprise all creditors except social security and other taxes.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Critical accounting estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the charity's accounting policies and the reported assets, liabilities, income and expenditure and the disclosures made in the financial statements. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.
