## Trustees Report

This year was quiet in activity. This was unusual due to personal circumstances for the family of one of the trustees.

However, we did put many plans in place for the following year. We continued to provide a small provision for a lady going through cancer treatment in the way of a pamper treat.

We continued to pay for our Accountant's services and had a number of meetings to focus on quizzes that would take place during the next financial year to support those who are undergoing treatment for cancer and these are in the forms of various treats.

We also reviewed funding opportunities to look into during the next financial year.
