Rainworks Kenya

Statement on Income and Activities 2022-23

During this period, Rainworks Kenya still experienced challenges in fundraising following on from the heavy impact of the covid era. Trustees had reduced time available, and the fundraising climate was extremely difficult. We are therefore submitting a report of zero income and expenditure for 2022-23 with the expectation for a resumption of activities for 2023-24.

The only activity that was possible to complete in 2022-23 was the installation of 1 (one) water tank in Nganyoi community, Nakuru. This was funded through a direct donation by a trustee. Discussions with the community focused on planning the intended resumption of fundraising for the following year.

Ends.

Annual Report

Charity Number 1194738

Period 09/06/2021 to 31/03/2022

Dear Charity Commission,

I hereby provide this memo as the Annual Report for Rainworks. We are a newly registered charity, and due to a number of factors, most particularly the covid pandemic, our activities in the period above were severely constrained. We were unable to fundraise, travel or administer projects in this time due to the impact and constraints around the pandemic, and as such we are submitting a "null report". I wish to confirm that while we still are in existence as a charity, we were unfortunately unable to operate as normal in the above period.

Our subsequent reports will reflect normal activities. I hope that this explanation is acceptable and please do contact me if any further clarification is needed.
