**Summary of the main achievements of the charity during the year**Main Achievements

- As of April 2025, we have relocated our Sunday service, previously conducted in a Derby's school, to Plessey Centre, a community centre located in Nottingham, in order to serve a wider community of new immigrants and further promote social inclusion. We participate in community activities to reach out to the neighborhood. We serve at the worship service there every Sunday to meet new families for faith work.
- Since we launched our South London Sunday service at a local school in Cheam in March 2024, we have been actively serving the community. We organised a Christmas party, inviting around 40 neighbours to join us. Additionally, we organised a missionary term in late summer last year, which included a music performance event at Sutton Town Hall, street prayers, evangelism, and a parents' conference. Our South London service has also seen the addition of two new families who regularly attend.
- It was the first time we had conducted a Mid-Autumn Festival party in North London. We provided around 80 neighbors with a music performance and food to build a relationship with the community.
- It was also the first time we had organized a talent show as part of our Christmas celebration in North London, to which we invited our neighbors to join.
- We organized a youth summer camp, in which 24 young people participated, to promote peer connection and spiritual maturity.
- We established a new women's group to provide participants with pastoral care and social support. The group's regular meetings are attended by 5-10 people.
- Our Sunday services reached roughly 80 newcomers during the year.
- 100 adults, on average, attend our Sunday service in three locations.
- 30 secondary students attend our Sunday youth worship services.
- 30 primary students attend our children Sunday school.
- 12 people were baptised into Christian faith in our church baptism service this year.
- 60 people attended our summer church outing to Brighton beach.
- 50 people were recruited and trained as volunteers in our church.
- To serve the public interest in utilizing AI to promote Christian knowledge, we have recently developed an online server and digital platform to host AI services for Bible commentaries and Q&A chats. Additionally, we have published a new online Bible podcast series, available for free public access.
