

St Mary's Little Rainbows

St Mary's Little Rainbows is a charitable incorporated organisation which operates to benefit the children and parents of our school community. Our fees are set at a level to ensure it is affordable for parents. Our charity is committed to safeguarding and promoting the welfare of our pupils and expects all staff and volunteers to share this commitment.

OUR OBJECTIVE

Our objectives are set to reflect the ethos of our school; Believing and growing, learning and achieving with God by our side. It is important to us that we offer after school care for our children with staff that make them feel happy and safe, as well as giving them the option of child led learning.

ABOUT US

We have been registered as a charity since 16th June 2021. Due to covid, our previous after school private provider could no longer provide a service to our families which prompted us, as a school, to make steps to providing after school care for our families. School staff help with the day to day running of the staff which helps the young children transition into the after school club setting much easier as they are familiar with the staff. We are currently unregistered so we are unable to provide a service longer than 1 hour 59 minutes. We do have staff working towards their Level 3 Playwork which will enable us to provide a longer service for our families.

STRUCTURE AND MANAGEMENT

The charity trustees are responsible for the overall management and control of St Mary's Little Rainbows Charity. The day to day running of St Mary's Little Rainbows after school club is run by Miss Amanda Watkins, Mr Harri Millington, Mrs Naomi Davies and Mrs Amy Cunliffe.

The after school club runs on site at St Mary's Aided Primary school. It caters for Foundation Phase children that finish school at 3pm and KS2 Children that finish at the slightly later time of 3.15pm. The club runs until 5pm daily.

Parents book their children into the club via an online form. Payments are taken with the ParentPay app and payments go directly into the St Mary's Little Rainbows bank account. We are a cashless service and our staff do not accept cash as payments, only online.

We only operate during term time and are closed during the school holidays.

Our charity number is 1194811.

OUR FINANCES

The income for the after school club is £4656. This is purely from payments received from parents for the use of the after school club.

From 3pm-4pm we charge £4. Until 5pm costs £6 with 10% discount for siblings.

We have not applied or been awarded grants as we are still awaiting for Care Inspectorate Wales certification.

Our outgoings are just staff wages which are £ 2572. We have no overheads for rent, electricity or water because we are based in the school building providing a service for the children that attend St Mary's.

The financial plan aims to break even over the course of the financial year with any profits made to be invested back into the after school club for extra resources for our children to enjoy.
