Registered Office: Horam Flat Farm
Chiddingly Rd
Heathfield
TN21 0JL

Trustees: Luke Hughes
Rizalinda Hughes

All trustees were in position for the full year.

Bank: National Westminster Bank
250 Bishopsgate London
EC2M 4AA

Objectives and Activities

The objects of the charity as set out within the constitution (14th May 2021) are:

For the public benefit to promote the education of people in full time education in such ways as the charity trustees see fit, including by:

1. Awarding to such persons grants or the provision of materials to enable them to attend university, college or institutions of higher or further education.
2. Provision of grants, equipment or materials to organisations providing full time education.
3. Supporting and enabling the co-ordination and co-operation of educational organisations in different geographical areas with different socio-economical backgrounds.

Achievements and Performance

The 2024/25 year represented a successful year in operation for the Hughes Education Charity. As in previous years, the charity continued to expand its reach and made a positive contribution to the education of a number of individuals and communities. Key achievements in 2024/25 included:

- Ongoing support to six primary schools, supporting more than 1,250 people in full time education
- Expansion of reach to a primary school in suburban Morocco, enabling the charity to grow its span of support to date to three continents.

Throughout the year 2024/25 the trustees have held regard to the guidance issued by the Charity Commission on public benefit. The trustees have also sought to further their knowledge and abilities in order to better carry out their roles. No costs were incurred in the 2024/25 year in carrying out this activity.

Policy on Grant Making

A material function of the charity is to provide grants to individuals and organisations in order to enable access to education. As such the charity holds a policy on grant making, provided below:

- Grants should only be made where materials and services cannot be provided or would incur additional expense to be procured directly by the charity. This seeks to balance the level of risk with the resources available to the charity to enact its objects.
- First time grants should usually be limited to a maximum of £250 for individuals or £500 for organisations unless clear evidence is provided of the specific expenditure of the grant in advance of payment (for instance an invoice or in person verification of need). Evidence of how the money has been used is required following award of a grant in all cases (for instance receipts and photographs of the item purchased).
- Second and subsequent grants have no specified limit, however should be made:
 - Following a visit to the individual or organisation to better understand their needs and how previous grants have been used (if not previously undertaken).
 - Only where sufficient evidence has been provided on the use of previous grants.
 - Through regard to the efficiency and effectiveness of the grant being made to meet the charity's objects

Future Outlook

In the year 2024/25 the charity's operation met the aims of the trustees, which enable the foreseeable future operation of the charity and will enable the achievement of the objects in 2025/26. Our plan for future years is to:

- Expand outreach of the charity to charitable groups who support individuals in full time education (for instance the scouts).
- Expand the depth of support offered to individuals, for instance those studying at university who may benefit from both financial and non-financial support (e.g. mentoring).

Structure, Governance and Management

The Hughes Education Charity is a Charitable Incorporated Organisation (CIO) governed according to the constitution dated 14th May 2021. The charity was established on the 14th May 2021 and registered with the Charities Commission on the 16th June 2021. The charity holds the registered charity number 1194812. Two trustees were appointed under the charity's constitution with facility to appoint additional trustees as needed to support the ongoing growth and development of the charity in the future. The charity is managed directly by the trustees and does not employ staff.

Financial Review

At the end of the reporting period the charity is in a positive financial position, having successfully developed sufficient funds to maintain a reserve to secure future operation and operate to its objects in the following year. The charity holds a total of £11,474.66 in cash assets which surpasses the trustee's preferred minimum level of reserves of £2,000. This level of reserve is set as it represents the anticipated maximum cost to maintain the operation of the CIO for the following year.

Statement of Trustees' Responsibilities

In relation to the financial statements within this report the charity trustees are responsible for:

- Preparing a trustee's annual report and financial statements in accordance with applicable law in England and Wales.
- Keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity to ensure that financial statements comply with the Charities Act 2011.
- Safeguarding charity assets in order to detect and prevent fraud and other irregularities.

Signed on behalf of the charity trustees

L Hughes, Trustee

25 April 2025

Notes to the Accounts

Principal Accounting Policies Basis of Preparation

The accounts for the charity have been made on the basis of receipts and payments in line with Charity Commission guidance: 'Charity reporting and accounting: the essentials November 2016 (CC15d)'.

Going Concern

The trustees consider that there are no material uncertainties on the charity's ability to continue its activities for the foreseeable future. The Trustees are satisfied that the charity's assets are available

and adequate to fulfil its obligations for a period of at least twelve months from the signing of these financial statements.

Income

Income was generated in the year through donations, all of which were eligible for gift aid, and interest paid on the balance of funds held.

Expenditure / Charitable Activities

These include all costs associated with the operation of the charity. A breakdown of costs is provided below.

Liabilities

The charity holds no liabilities.

Assets

For the purpose of the preparation of these accounts, IT equipment is assumed to be fully depreciated in year and so not recorded on the balance sheet. In practice IT equipment is expected to have a useable life of at least 3 years.

Restricted Funds

The charity held no restricted funds in the current reporting year.

Tax

The charity is not liable to pay tax on its charitable activities.
