Promote social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society.

The Trustees' successfully raised £995.00 through two Quiz Night fundraising events to support the charity purposes. These funds were used to award bursaries to four individuals within the local community. The conditions attached to the awards specify that the individual provides evidence of the spend through a report and photographs, which have consent, which are then used by HISI to promote the charity on their website under 'Success Stories'.

The long-term vision of HISI is to run regular events in the local community in order to raise funds. The funds raised will then be distributed to sports clubs, groups and individuals in Hertfordshire and Essex which they will use to provide people with a disability opportunities to develop their social and independence skills, enjoy the sports and activities they enjoy, participate in regular training and competition and improve their knowledge and skills.
