Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The object of the CIO is to advance the education of children in Surrey and Hampshire in the area of information & communication learning technology (ICLT) for the public benefit in particular but not exclusively by providing charitable organisations, schools and colleges with grants and resources.

We provide access to STEM-related interactions and educational programmes, we do 80% via a delivery partner - The Royal Institute delivering Science for Schools Programmes and approximately 20% of this is delivered through outreach programmes in schools and we operate nationally.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

- Selection of Trustees.
- Clear objectives and partnership with the Royal Institute to delivery Science in School Programmes.
- Engagement with local primary schools and first grants given.
- Branding and website creation.
- Bank account set-up for donations.

Section E
