Achievements and performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The boys' and girls' choirs continue to develop. Public awareness of the existence of the choir and the training it offers continues to be raised. Public sung services in the English choral tradition have been performed twice on every Sunday during school term-time and further services and concerts have been offered in public at special times of the year. Music theory training has been offered to all of the choristers. Every chorister is making good progress in music training according to our training syllabus.
