Achievements and Performance

	SORP reference	
<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>Since the Foundation was created, we have:</p> <p>Via the Coventry Lions – Contributed towards bespoke trousers being tailored for a man with very swollen legs, who then sadly died aged 42 leaving a young daughter. The funeral parlour wouldn't even book a date unless £1,500 was put up first. I find that disgusting because I was never asked for a penny until after your funeral. The fact funeral poverty is a thing inhumane. The Foundation offered a grant towards these costs as well</p> <p>Via an email circulated amongst Coventry City Council staff, the story of a young boy with a rare form of cancer who was seeking treatment abroad. The Foundation contributed to enable that to happen. The treatment has, so far, been successful.</p> <p>Issued a grant to a lady whose son needed to be placed into care because Mum couldn't meet his 24 hour a day close care. Her son has very complex neurological conditions and had been moved all over the country to find appropriate care, with one placement resulting in an assault by a member of staff. Mum has her own challenges with Bipolar, PTSD, severe anxiety and problems with her hands and pancreas. Recently, Mum had a fall downstairs and spent 10 days in hospital. Mum wanted to take her son on a short respite break when he came to stay with her. The Foundation arranged for that to happen.</p> <p>Funded a day out for a family whose 9 year old son was diagnosed with Anxiety. Mum told me "he is not the same little boy and hasn't been able to return to school following the pandemic". Further supported with a contribution towards utility and food bills. Mum shared pictures of their day out and she said that both she and Dad were crying (Dad is never emotional) seeing their son smile for the first time in two years. Supported a single parent family, children 5 and 1, with Mum unable to work due to lack of childcare for her 1 year old, and struggling to provide clothes and food.</p> <p>Assisted three young men who were trying to move off benefits and into work. The Foundation issued grants for clothes and</p>

	<p>travel whilst also offering interview techniques training. One young man secured work immediately and would email us to provide updates. He passed his probation successfully, and received a small pay increase. Two months later he received a promotion. He was elated and so thankful for our support.</p> <p>The other two men had trial shifts in hospitality but then COVID-19 hit and that sector was decimated. Financial security for them and their families resulted in them making the decision that receiving benefits was more secure than employment.</p> <p>Supported a family by offering a grant of a month's salary to enable a man with a terminal diagnosis to have respite, and not feel pressured to work, so he could spend time with his loved ones.</p> <p>Since being registered as a Charity and during the period stated, we have:</p> <p>Issued a grant towards the treatment for a Cancer patient</p> <p>Issued a grant to a man who was studying for a Masters in Public Health who wished to embark on a career in fighting infectious diseases (apt timing given the Rona). He was given £12,500 by two other charities and the amount he was short, the Foundation covered.</p> <p>Assisted a lady who, working in public service, found herself unable to work. The lady had a young son with no family living anywhere locally, resulting in child care challenges. This lady struggled with bills, receiving little support, and the Foundation offered a grant to help her through this period.</p> <p>Assisted a lady who, during the pandemic, was unable to work and fell behind with her rent. A single parent family, with no financial support from her employer or family. The Foundation issued a grant to cover some of her arrears.</p> <p>Provided two grants to a lady in the care sector, who has brain tumours, and was made redundant after 6 years' service without any due process. The lady went from furlough to redundant within 8 days. The employer had not paid her any money whatsoever since the end of September 2021; no salary, no redundancy pay, accrued holiday or notice pay. Her</p>

		<p>termination date was 7 January 2022 and not a penny has she received. The Foundation was able to cover part of her salary for three months. The lady is unable to afford decent representation so, not only has the Foundation helped her financially it has, additionally, helped her navigate such a complex world of Human Resources and Employment Law. The lady had never had an email address, so we supported her and, with that, created her first CV. Signing up to a number of recruitment sites resulted in her starting a new job on 7 February 2022. We continued to support her through the tribunal process to reach a successful conclusion.</p> <p>Issued Tesco Gift Cards to aid families with food and uniform purchases</p> <p>Bought a Christmas feast for 6 to ensure a family had a Christmas without worrying about where the money was coming from to pay for it.</p>
