The BAME Health Collaborative (BHC) herein after referred to as “BHC” or “the charitable company”, is not in a healthy financial position but continues to be a source of advancing the health and wellbeing of BAME communities living in the UK.

In May 2020, BAME Health Collaborative (BHC) was formed to provide sensible healthcare solutions to address the disparity in healthcare provisions offered in the UK.

BHC officially became a charity registered with the Charity Commission in June 2021.

This financial report covers the period 01/04/2023 to 31/08/2024.

The charity’s work is reliant on the intellectual input from its Trustees, Ambassadors, and policy review group members. There was no source of income for the reporting period, as the trustees concentrated on engaging with the National Institute for Health and Care Excellence (NICE) regarding the equity of national guidelines. At the start of the charity’s reporting period (01/04/2023) there was a balance of £74.98 in the account. A breakdown of total income for the reporting period is £0.00 income and £0.00 expenditure.

The charity has experienced some challenges in generating any surplus. The balance sheet shows total charity funds at the end of the reporting period as £74.98.
