OBJECTIVES AND ACTIVITIES
Objectives and aims

HGH United Hands is a non-profit organisation working to strengthen humanity's fight against poverty, social injustice and natural disaster. Our objective is to advance such charitable purposes as the board members see fit from time to time.

This year we have focused more on research into projects we want to support and try and develop links with other charitable organisations who may be able to support our goals. We have for example, spent time with representatives of Indus Hospitals who are looking to provide medical support to poor people in third world countries.

2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
