

THE ANALYSIS TRUST (CIO)
REPORT AND FINANCIAL STATEMENTS
YEAR ENDED 31ST DECEMBER 2023
CHARITY NUMBER: 1195108

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2023

REPORT OF THE TRUSTEES

The Trustees, present their annual report and financial statements for the year ended 31st December 2023. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued October 2019 (effective 1st January 2019).

CHANGE IN LEGAL STATUS

During 2021 the charity changed its legal status from an unincorporated Trust, constituted under a Trust Deed dated 1974, charity registration number 325126, to a Charitable Incorporated Organisation (CIO), charity registration number 1195108.

The change took effect on 8th July 2021, at which point all assets, resources and rights were transferred to the CIO. The former unincorporated Trust was closed on 8th July 2021.

OBJECTS AND ACTIVITIES FOR THE PUBLIC BENEFIT

The main object is the promotion and dissemination of philosophy of the highest quality through supporting systematic study of philosophy.

The Trustees have published the journal 'Analysis' to provide additional funding to support and continue the furtherance of their objects. There have been no policy changes this year.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

GRANT MAKING POLICY

The Trust has established its grant making policy to achieve its objects for the public benefit.

ACHIEVEMENTS AND PERFORMANCE

During the year Trustees noted that they had made charitable grant payments as per note 6. During this year the Trustees are satisfied that they have continued to operate within their objectives.

FINANCIAL REVIEW

The CIO had income of £81,896 (2022: £69,396) and an excess of income over expenditure of £24,659 (2022: excess of expenditure over income £4,157). The value of investments increased by £69,123 (2022: decrease of £35,056).

INVESTMENT POLICY

It is the policy of the Trustees to invest their reserves in a globally diversified investment portfolio. Details and rationale are given in our policy document 'Analysis Investment Policy'.

RESERVES POLICY

Sufficient funds are kept in investments to generate adequate recurring income to cover the recurring management and administration costs. In addition surpluses of income over expenditure are invested in order to increase our future expenditures on the charitable purposes of the Trust. Details and rationale are given in our policy document 'Analysis Investment Policy'.

RISK MANAGEMENT

Trustees periodically review risk and in the care of their main exposure (which lies in the area of advancing technology and its impact upon delivery) are constantly in touch with their publishers to monitor the position.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2023

REPORT OF THE TRUSTEES/CONTINUED

PLANS FOR FUTURE PERIODS

The Committee aims to continue its charitable expenditure, while securing the Trust's long term income against the risk of diminishing income from OUP and increased running costs for the Journal.

STRUCTURE GOVERNANCE AND MANAGEMENT

GOVERNING DOCUMENT

The charity was originally formed under a Trust Deed in 1974. It is now constituted as a Charitable Incorporated Organisation. There shall be no more than 4 or less than 3 Trustees. Trustees have responsibility for the custody of the assets of the charity. The general management and control of the CIO is vested in the Committee of Analysis who appoint an Editor for the journal 'Analysis'.

APPOINTMENT OF TRUSTEES

The Committee of Analysis has powers to appoint or remove Trustees.

TRUSTEE INDUCTION AND TRAINING

The nature of the charity is such that Trustees are by virtue of their occupations well versed in its charity's activities. The Committee of Analysis is responsible for ensuring that Trustees are familiar with Charity Law and regulations.

ORGANISATION

The CIO is run by the Trustees who meet annually delegating the management through the secretary of the management committee. Trustees are appointed from any nominations received by the management committee. The management committee makes practical decisions in relation to the activities which are co-ordinated by the secretary. The management committee are unpaid.

The CIO is known throughout the academic world for its work and makes the availability of awards known in its journal. Applications are scrutinised by a committee and made in accordance with its views.

KEY MANAGEMENT REMUNERATION POLICY

The Trustees consider themselves as comprising the key management personnel of the CIO. All trustees give of their time freely and no remuneration was paid to Trustees.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The Trustees are responsible for preparing a Trustees' Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and applications of resources, of the charity for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently
- observe the methods and principles in the applicable Charities SORP
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2023

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE ANALYSIS TRUST (CIO)

OPINION

We have audited the financial statements of The Analysis Trust (CIO) for the year ended 31st December 2023 which comprise of the Statement of Financial Activities, the Balance Sheet, Statement of Cash Flows and notes to the financial statements. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31st December 2023, and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

BASIS OF OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 7 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

OTHER INFORMATION

The other information comprises the information included in the Trustees' Annual Report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2023

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF THE ANALYSIS TRUST (CIO)..... CONT

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- the charity has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the trustees' responsibilities statement in the Trustees' Responsibilities statement on page 3, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

The trustees have elected for the financial statements to be audited in accordance with the Charities Act 2011. Accordingly, we have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA's (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. The primary responsibility for the prevention and detection of irregularities including fraud rests with both the management and those charged with governance of the charity. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We have considered the nature of the industry and sector, control environment, laws and regulations and business performance of the charity, including the charity's remuneration policies. Laws and regulations considered included, but were not limited to, the Charities Act, and Charities SORP

We have enquired with the management in regards to their own assessment of the risks of irregularities, including fraud. We also enquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.

We obtained relevant documentation and representations in order to form an opinion on potential irregularities, including fraud.

We considered the opportunities and incentives that may exist within the organisation for fraud.

Based on this understanding, we designed specific audit procedures to identify instances of non-compliance with laws and regulations, including obtaining additional corroborative evidence as required. Examples of procedures included reviewing large and unusual transactions and reviewing large and unexpected variances.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2023

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF THE ANALYSIS TRUST (CIO)..... CONT

There are inherent limitations in the audit procedures described on page 5, not least as sampling is used under International Auditing Standards, therefore not all transactions are reviewed. Therefore there is a risk we will not detect all irregularities including those leading to a material misstatement in the financial statements or non-compliance with regulations. The risk of not detecting a material misstatement due to fraud is also higher than the risk of not detecting one from error, as fraud may involve deliberate concealment by, for example, forgery, collusion, omission or intentional misrepresentation.

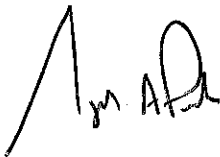

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

In addition, we considered provisions of other laws and regulations which do not have a direct effect on the financial statements, but compliance which may be fundamental for the charity to operate.

Relevant identified laws and regulations were communicated within the engagement team so they remained alert throughout the audit for indications of fraud or non-compliance.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

This report is made solely to the charity's trustees as a body, in accordance with Sections 144 and 145 of Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2023

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

(a) BASIS OF PREPARATION AND ASSESSMENT OF GOING CONCERN

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these financial statements. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued October 2019 (effective 1st January 2019) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Trust constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

(b) INCOME RECOGNITION

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income can be measured reliably.

(c) EXPENDITURE RECOGNITION

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. Charitable support expenses and governance costs include all expenditure not directly relating to the charitable activity.

(d) IRRECOVERABLE VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

(e) ALLOCATION OF SUPPORT AND GOVERNANCE COSTS

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to statutory audit and legal fees together with an apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on the number of individual grant awards made in recognition that the administrative costs of awarding, monitoring and assessing research grants, salary support grants and postgraduate scholarships are broadly equivalent. The allocation of support and governance costs is analysed in note 5.

(f) CHARITABLE ACTIVITIES

Costs of charitable activities include grants made, governance cost and an apportionment of support costs as shown in note 4.

(g) FIXED ASSET INVESTMENT

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The Statement of Financial Activities includes the net gains and losses arising on the revaluation and disposal throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors and sub sectors.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2023

NOTES TO THE FINANCIAL STATEMENTS

(h) REALISED GAINS AND LOSSES

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

2. RELATED PARTY TRANSACTIONS AND TRUSTEES' EXPENSES AND REMUNERATION

The Trustees all give freely their time and expertise without any form of remuneration or other benefit in cash or kind (2022: £Nil). Expenses paid to the Trustees during the year totalled £Nil (2022: £Nil).
