Structure, governance and management**a) *Constitution***

The charity was originally formed as an unincorporated body by a constitution on 18 September 2013. On 1 October 2022, the charity's activities, assets, liabilities and funds were transferred to this company, a company by limited by guarantee, (registered in England & Wales 13232156) Registered Charity, No. 1195148.

The management of the charity is the responsibility of the trustees who are elected and co-opted under the terms of the Articles of Association.

c) *Policies adopted for the induction and training of trustees*

New trustees are on appointment supplied with copies of all documents necessary and relevant guidance in order for them to understand their role. Trustees are elected from members at the AGM with a view of their providing the charity with a range of skills expedient to setting up, development and management of the running of the charity.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 SEPTEMBER 2024**

Achievements and performance

It has continued to be a financially tough climate but with added pressures from a war in Ukraine and the expected further squeeze of incomes, costs of living and in particular fuel and energy costs.

We remain in awe of the many individuals and organisations who continue to support us both financially and with their time, without which we would not be able to operate, and for which we are massively grateful.

The strains of continuing to operate 24/7 have been huge and although we have managed to maintain service the situation remains under review and although it is hoped that we will be able to continue it is possible that we may have to revert to the previous model of out of hours operation.

We have also been able to maintain all other current commitments covering NHS Blood and Blood Products, Samples for Testing, Home Dialysis and Transplant support. Along with our Charitable partners Air Ambulance Kent, Surrey & Sussex, Demelza & Ellenor Hospices and the Human Milk Foundation.

During the year the Charity has responded to 6,713 total journeys, covered 469,805 miles and dedicated 20,773 direct volunteering hours, along with many, many more hours dedicated by our Trustees and Management Committee.

Mainly due to the number of miles covered increasing by over 16% since last year, mileage claims are also higher for the current year, versus previous year.

The Management Committee continues to monitor the mileage claims, and although hope to continue to pay claims, it is subject to review.

During the year, out of necessity, we have made many improvements at HQ. Although this building is leased, it is our responsibility to maintain it.

Works to cut back and remove greenery from behind and alongside the building, partly to make ground safer but to also help alleviate the pest infiltration. From that, work continued in the kitchen and the water heater was replaced.

There has been a general clear out of old and dumped equipment from the garage and the flooring has been replaced. We purchased and had the flooring installed as this gives us a ten-year guarantee. This now provides us with a safe and comfortable space for meetings and training sessions.

The "Transfer App" is now fully operational and showing huge potential to revolutionise the way that we operate in a paperless environment with many additional features for both tracking and traceability. The work by Chris Taylor in achieving this has been massive and tireless,

Future developments

We are continuing to explore funding, vehicle replacement, enhanced equipment, and training in order to provide the best service possible for our partners.

Financial activities

These are set out in the attached accounts. These show a deficit for the year of £6,442 (2023 - £8,815). As at 30 September 2024, the charity has total reserves of £76,402 to carry forward.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 SEPTEMBER 2024**

Reserves

It is the policy of the charity to maintain reserves of six months running expenses as set out in these financial statements.

These reserves have been maintained along with a financial contingency to ensure continuity of premises at £40,000.

It is hoped to be able to increase both contingencies over the coming year in order to match inflationary pressures.

Public benefit

When considering the SERV's activities, the trustees have complied with the duty in section 4 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit.

Going concern

The charity has sufficient funds to enable it to operate for at least 12 months from the date these accounts are approved and hence the accounts are prepared on a going concern basis.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

This report was approved by the Board of Trustees on 21 January 2025 and signed on their behalf by:

INDEPENDENT EXAMINER'S REPORT TO THE BOARD OF TRUSTEES ON THE UNAUDITED ACCOUNTS OF SERVICE BY EMERGENCY RESPONSE VOLUNTEERS SERV (KENT)

I report to the charity trustees on my examination of the accounts of the charity for the year ended 30 September 2024 which are set out on pages 6 to 15.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act')

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in, any material respect:

- 1 accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with the accounting records; or
- 3 the accounts do not comply with the accounting requirements of section 386 of the 2006 Act other than any requirements that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

13 Movement in funds Cont'd

Restricted funds

a Co-op Training Fund

This is to finance the training of Volunteers. During the period, training was provided free of charge by qualified members, so the balance of this fund is carried forward to be spent in a future year.

b Member Sponsorship

This fund represents donations received from organisations to cover the fuels costs for certain individuals/vehicles of the charity.

c Vehicle purchase

As mentioned in last year's accounts fundraising continued for a vehicle which was purchased in the last financial year. The Medway League of Friends made a donation of £11,450 which covered the remainder of the cost for which funds were not raised last year and the balance was used towards the running costs of vehicles operated by the charity during the year. The transfer of £11,450 relates to a contribution towards the vehicle cost of £5,866 and £5,584 towards the vehicle running costs.

d Defibrillators

A donation from West Kent Masons to purchase 3 defibrillators. As these have been purchased and treated as fixed assets, the fund balance has been shown as a transfer to unrestricted funds.

Designated Fund

Headquarters Fund

The Trustees recognise the importance of the Old Police Post as central to it's operations.

The premises are currently occupied under a license granted to them by Moto Hospitality.

The Trustees consider it prudent to earmark some of the charity's reserves to cover any future need to secure premises by way of freehold or leasehold.

b Member Sponsorship

This fund represents donations received from organisations to cover the fuels costs for certain individuals/vehicles of the charity.

c Vehicle purchase

For the last 3 years the charity have had use of a liveried vehicle, a Vauxhall Grandland, the lease of which was kindly paid for by The Surtees Foundation. But, unfortunately, they are no longer able to support this, so as the charity did not wish to lose this valuable resource, known affectionately to the charity as Micmac, the trustees decided to fundraise and purchase the vehicle. The transfer of £3,676 relates to fundraising income received in the year as a contribution towards the vehicle cost of £9,542. Fundraising is ongoing at this point, but the charity are now the proud owners.
