FOR THE YEAR ENDED 31 DECEMBER 2022

Charity no: 1195153

The Stockwell/Cliffe Charitable Trust

Report of the Trustees For the year ended 31 December 2022

The trustees present their report and accounts for the year ended 31 December 2022. The trustees have opted to prepare Receipts and Payments Accounts.

Objectives and activities

The objects of the charity, as set out in the Trust Deed, include but are not limited to provide funding to charities for:

- The advancement of education.
- The relief of sickness and the advancement of health.
- The relief of those in need by reason of youth, age, ill health, disability, financial hardship, or other disadvantages.

The trustees meet these objectives through grant giving with priority given to those causes that are geographically close to the Charity's base in Buckinghamshire.

Causes may apply via the Charity's website www.stockwellcliffetrust.org.uk for grants of up to £5,000. The Charity does not typically accept grants from the same organisation more than once every two years.

We support a few carefully selected local, regional, and national disability, education, and healthcare charities. We have been keen to establish some local partnerships with charities that fulfil our criteria. We are particularly looking to support smaller charities which have a high pence-in-the-pound ratio and so do not spend a lot of money on administration. IE Rep

We like charities which promote health and wellbeing through advice and practical help. We particularly like charities which support people and carers with terminal and chronic health conditions.

Grants are made to charitable organisations and when awarding grants, the trustees give due regard to the Charity Commission guidance on public benefit.

Achievements and performance

Grants of between £250 and £5,000 were awarded to 45 charities. Total grants paid were £60,500.

A list of recipients can be seen on the website.

Financial Review

The financial position of the charity is set out on pages 4 and 5.

The charity's principal funding sources are income from donations and a managed investment portfolio.

The policy of the trustees is to hold £5,000 in cash reserves which they consider to be sufficient to meet any unforeseen events. The balance of net income is distributed by way of grants.

Structure, governance and management

The charity is unincorporated and governed by a Trust Deed dated 3 July 2021.

New trustees are appointed by approval of existing trustees.

All trustees give their time freely and no trustee received any remuneration or reimbursement of expenses in the year.
