

Trustees' and Director's Report  
For the year ended 31<sup>st</sup> March 2022

This was the first year of existence for The Martin McLaren Foundation. The Foundation is a development of a former charity, The Martin McLaren Memorial Trust and several trustees were members of that Trust. One founding member, Richard McLaren, sadly died in early 2022. Initially the Foundation will support many of the original objects of the former trust and in particular its interest in young horticulturalists and the environment. For the moment, the Foundation regrets that it is not in a position to accept unsolicited applications.
