Trustees's Report

Investment powers and policy

Aside from retaining a prudent amount in reserves, most of the charity's funds are to be spent in the short term so there are few funds for any long-term investment.

Reserves policy and going concern

The cash balance held in reserves at 31st July 2024 is £8,034 (2023: £188,204) which is a unrestricted, no restricted funds was held as at 31st July 2024. The trustee aims to build free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The charity's main source of income is donations. The trustees consider that it is appropriate to prepare the accounts on a going concern basis, consequently, the accounts do not include any adjustments that would be necessary if these sources of income should cease.

Statement of Risk Management

The trustees have assessed the risks to which the charity may be exposed with reference to those relating to the operations and finances of the charity. Systems are in place to ensure that all risks are recorded for subsequent monitoring and review. In the meantime, the trustee's remain satisfied that all insurable risks have been identified and adequately dealt with and that the charities exposure to other risks is kept at a minimum by good working practice by the trustees and volunteers.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes unusual items or disclosures in the accounts, and seeking explanations from you as trustees consideration of any concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out below.

Independent Examiner's Statement

In connection with my examination, other than listed below, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records have in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act, have not been met; or

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102. The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Fund's structure

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor.

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects.

Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Grants which relate to a specific period are deferred.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal obligation or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

All expenditure other than that capitalised has been reflected in the income and expenditure account on an accrual's basis including support costs and governance costs which are allocated or apportioned to the applicable expenditure headings

Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Freehold buildings	over 50 years
