Para 1.20	The Charity has continued to make good impact in the lives of people through practical and spiritual engagements. We had several public workshops and public meetings where we shared important public awareness such as health awareness informing people of how they can stay healthy and have a good heart. We used our space for exercise activities such as Zumba providing health benefits. We provided opportunities for groups to partner with us, utilize our safe space for positive and engaging activities both spiritual, community and celebrations. We also continue to share the word of faith encouraging people to live the good morals expected of a Christian. We had events open to all whether Christians or not. For example, Christmas bring and share. We contributed to foodbank in our community. We continued to hold online programmes also where we were able to connect with communities all over the world. We also continued to support orphans, young children in India and Pakistan. In all our physical events, free drinks and refreshments are given to attendees.
