ANNUAL REPORT OF THE PAROCHIAL CHURCH COUNCIL FOR THE PERIOD ENDING 31 December 2024

Administrative Information

The Parish of St Neots with Eynesbury, part of the Diocese of Ely within the Church of England, was formed on 1st March 2020 by a Pastoral Scheme dated 11th February 2020 ('the Scheme'). It comprises the entirety of the former ecclesiastical parishes of St Neots (a charity formerly registered with the Charity Commission under number 1132445) and Eynesbury (an exempted charity). It has two parish churches: St Neots Parish Church (St. Mary's) is located in Church Street, and St Mary's Eynesbury is located in Berkeley Street. Both historic churchyards have long been closed to new burials (apart from interment of cremated remains in designated areas), and the primary responsibility for their maintenance rests with St Neots Town Council.

The correspondence address is The Parish Office, 29 Church Street, St Neots, Cambridgeshire, PE19 2BU. The Parochial Church Council (PCC) of the new parish was registered with the Charity Commission in 2021 under number 1195248.

PCC members who have served during the period are as follows:

Incumbent (Rector): Revd Paul Hutchinson (ex officio)

Churchwardens:

Mr Tony Hopwood
Mrs Christine Miles
Mrs Jacquelyn Isaac
Vacancy

Representatives on the Deanery Synod (term expiry 2026):

Mrs Catherine Griffiths (PCC Secretary)
Mr Tony Hopwood
Mr David Wells

Elected Members (with current term expiry date):

Dr Gabriel Amable (2025)	Mrs Helen Bloxham (2025)
Mr Andrew Isaac (2025)	Mrs Judith Mcateer (resigned 28 April 2024)
Mr Stephen Gill (2025)	Mrs Lynne Burnell (resigned 7 November 2024)
Mr Godfrey Wilson (2025)	Ms Marion Catmull (2027)
Mr Philip Barrett (2026)	Mr David Read (2027)
Mrs Valerie Freeman (2026)	Mrs Angela Robertson (2027)
Mrs Christian Laughton (2026)	Ms Tara Skey (2027)

Structure, Governance and Management

The PCC is a body corporate under the PCC Powers Measure 1956. The appointment of PCC members is set out in the Churchwardens Measure 2001 and the Church Representation Rules 2022. All church attenders are encouraged to register on the Electoral Roll and stand for election to the PCC.

The PCC has the responsibility, with the Rector (its Chair), of promoting in the ecclesiastical parish the whole mission of the Church, pastoral, evangelical, social and ecumenical. It also has maintenance responsibility for the St Neots Parish Church Rooms. When planning the activities for the year, the Rector and the PCC have considered the Charity Commission's guidance on public benefit and the specific guidance on charities for the advancement of religion.

Risk Management

PCC members, as trustees, acknowledge their duty to identify and review the risks to which the charity and its users are exposed, and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. Maintenance, Health and Safety, Fire Risk, anti-theft measures and financial controls have continued. Tony Hopwood has continued as Treasurer. Increasingly the Parish receives money by online means (including the Parish Giving Scheme). The PCC is assisted by a Stewardship Recorder/Gift Aid Officer who managed the collection and banking of St Neots cash. Church room rentals are controlled and collected by the Parish Office (run by the Parish Administrator). Bookkeeping and accounts are maintained by the PCC Treasurer in consultation with an external accountant. Cheques require two authorised signatories and online transactions two authorisations.

Disability Access

Level access into both churches is available via the North doors, hearing loop systems are in regular use, large print hymnbooks, service booklets and notice sheets are available; there are toilets suitable for disabled people in St Neots Church Rooms (the one in Eynesbury Church is unsuitable for wheelchair users).

Safeguarding Policy and Procedures

The PCC is committed to safeguarding all those who attend worship and the other activities that the parish offers. It takes due regard of the House of Bishops' guidance on Safeguarding Children and Vulnerable Adults, through the documents 'Promoting a Safer Church', 'The Parish Safeguarding Handbook', and ongoing Safeguarding Practice Guidance. Having adopted the recommended parish policy on inception in 2020, the PCC has reaffirmed the policy each year and has now also taken note of the new Safeguarding standards. The PCC also adopted a policy for the recruitment of ex-offenders in 2021. The PCC seeks to create a culture where everyone is included, respected, listened to, and taken seriously; and the PCC accepts the prime duty of care for children and vulnerable adults. Safeguarding is a standing item at every PCC meeting; reports are received in person from the Safeguarding Officer at approximately half-yearly intervals; and there are regular reviews of the ParishHub (previously the Safeguarding Dashboard). Mrs Ann Barnsley has been Parish Safeguarding Officer since 2022. We were made aware of one potential safeguarding concern during the year; advice was sought from the Diocesan Safeguarding Team, and duly acted upon.

Personnel

The Diocese of Ely's Changing Market Towns initiative ceased to operate in this parish at the end of 2023. The former full-time Operations Manager (a pre-existing member of the PCC) was re-employed at the beginning of 2024 as a part-time Parish Administrator (funded by the Parish). The Parish-funded role of Children's Schools' and Families' Minister had been created in February 2023: the post-holder has a Diocesan permission to officiate but is not a member of the PCC. Another PCC member is paid for some hours' cleaning work each week in connection with the Church Rooms. The organist (not a PCC member) receives an honorarium.

Two clergy left the parish team at the beginning of 2024, although both continue to live in different situations within the parish. The parish's future relationship with Loves Farm Church continues to be discussed at various levels.

Electoral Roll

At the 2024 Annual Meeting the Electoral Roll contained 232 names (down from 237 in 2023).

PCC Meetings

Not including the meeting to appoint officers that immediately followed the 2024 Annual Meetings, the PCC met in person on eight occasions. In addition to standing items, major topics under discussion have included parish mission, events to welcome visitors, community groups and civic representatives to both churches, issues with the fabric and finances of both churches, developments in the use of the Church Rooms and questions about ownership and boundaries of both the St Neots Church Room and the gravedigger's hut, reports about our children's activities and church schools (including the Ofsted inspections at both schools), parish communications, the acquisition of new hymnbooks, the reordering of the north-west aisle at St Neots Parish Church, the repair of the church path at Eynesbury and the St Neots church clock, and receiving reports from Deanery and Diocesan Synods (including about the Diocesan-led Deanery Planning process that continues). The Rector and the PCC Secretary are both members of the Ely Diocesan Synod, as well as St Neots Deanery.

Significant Activities: Worship, study, prayer, mission, evangelism, ecumenism.

The new normal pattern of services continues to be: three Sunday morning eucharists; three weekday eucharists; a weekly 'Stay and Play' (previously Play Church) and a monthly 'All Aboard' (previously Teatime Praise) under the oversight of the Revd Margaret Marshall as our Children's Schools' and Families' Minister (both gaining new members, and now incorporating what was previously Messy Church); monthly Saturday informal eucharist (connected with Saturday Social in the Church Rooms – which specially though not exclusively serves those who live alone); weekday evening monthly healing eucharists; occasional Mothers' Union special services; and (in most months) an evening Choral Service, as well as seasonal Messy Church. Sadly, 'Little Saints' Sunday School ceased to operate in the course of the year. Regular services continued at Old Vicarage, Poppyfields, and Old Market Court (as well as with church members at Cavendish Court and other home communions, including now the new home at Henbrook House). Average attendance on a Usual Sunday in 2024 has been 88 adults and 4 children (as in 2023) but this disguises that the figure was higher in the first half of 2024, and lower in the second half.

Beyond the normal annual round of special services – Holy Week, Remembrance (a full church at St Neots), Advent and Christmas – there have been fewer special services this year, but there was a choir visit with St Leonard's and other friends to St Edmundsbury Cathedral to sing Evensong. In addition to an organ recital series in the summer at St Neots, there were several concerts through the year organised by the parish and by the Friends, and St Neots hosted (during the closure of the Priory Centre) the performance of 'Joseph and the Amazing Technicolour Dreamcoat' by the local musical theatre group VAMPS. We expect to have also hosted VAMPS again just before the 2025 Annual Meetings. We also held two book launch events in conjunction with Waterstones St Neots.

St Neots bells are rung most Fridays and Sundays, as well as for occasional special events, peals and quarter-peals, and their sound (alongside the clock) is a much-appreciated feature of community life. Eynesbury's bells – though an even more historic asset of the town – are rung much less frequently, due to a shortage of ringers, but can still be rung by the St Neots band when needed.

Eynesbury Church has rested from Coffee mornings, but has held its usual successful summer Strawberry tea; St Neots church remains open daily for prayer and visitors, and has again held two successful tower and church open days (with hundreds of visitors at each), and an Autumn Fair. There was also a busy Quiz Night at St Neots. We remain grateful for the co-operative spirit in which relations with the Town Council are conducted: we appreciate their care on the maintenance of the two churchyards, and we continue to look forward to seeing the costly but necessary work carried out on St Neots churchyard wall. Churches together in St Neots, and the ministers of St Neots churches, met occasionally, but an ecumenical act of worship on the Market Square on Good Friday was not possible this year because of Market Square works. St Neots Church Rooms continue to be available for many town organisations, as well as parish social events; we were pleased to install a new fire exit and have a substantial refurbishment in the summer, and look forward to doing further area in the kitchen and storage area in time. We continue to use Eynesbury Room for a variety of small church meetings (including cross-parish groups) and other lettings.

We have ceased to produce the Messenger magazine for the time being, and the process for an appropriate replacement has not yet been worked through. Mothers' Union members continue to contribute to social action projects, and other church members were involved in the work of the churches through the Food Bank, Community Debt Advice, Thursday Food (now meeting at Berkeley Street Methodist Church), and a range of other Churches Together voluntary activities, in addition to the many ways that members kept in touch with each other and with neighbours in need.

Ministers continue to conduct funerals both in the churches and at local crematoria and cemeteries: an aggregate of 25 this year (compare the 2012-2016 average of 40). Other occasional offices continue to decline: 9 baptisms and 4 weddings (compare the averages of 40:10 in 2016-8 and 51:16 in 2012-5. As a traditional form of outreach, this trend continues to be of concern, but we were heartened by a Confirmation of six adults conducted by Bishop Dagmar in May. Relationships with local schools continue to have ups and downs, though the Revd Margaret Marshall has been of substantial assistance in this area. Our clergy are in both our church schools in some way every week. Eynesbury School have adopted a pattern of two or three visits to church for worship each term, School Eucharists are now termly at St Mary's, and school curriculum visits to church have again drawn in both Priory Schools and Roundhouse/Wintingham. In the run-up to Christmas we saw these and other schools and nurseries too. The Rector and other Church members continue to play a major role in the governance of both our church schools; a quite time-consuming task inter alia because of the two Ofsted inspections: a vacancy currently exists for a foundation governor at Eynesbury School.

Our thanks go to all the clergy who have exercised ministry here during the year – not only the Revd Margaret Marshall, but also Revds Robert Sibson, Melvyn Barnsley, and Roger Henthorne – and to our continuing Authorised Lay Minister Catherine Griffiths and retired Deaconess Mavis Hinde. Sadly, at the time of writing in 2025, we have just seen the funeral of the Revd Ken Anderson, a year ago, many members of St Neots church also travelled to Ely Cathedral for the funeral of Canon Bruce Curry, former Vicar of St Neots 1978-1994.

Other lay members of the Church have committed many hours to the work described above, to prayer and study, and to other social events and activities; and they too are thanked: a church community flourishes through the activity and shared responsibility of its

Stewardship and Finance

This is the account for the year ended 31st December 2024. During this year we have continued to use the Xero accounts system, with banking through Barclays.

Voluntary Giving showed a positive 4% increase over 2023 levels totalling £88,083 (£84,475 in 2023). Dividend income reflected the increase in growth nationally with an almost 50% increase on the previous year. Hire income from the Church Rooms fell slightly but not enough to cause concern. Sundry donations were significantly less this year but annual variances are to be expected. Overall incoming resources totalled £141,023, slightly higher than the £138,568 of 2023.

The PCC incurred expenditure of £223,652 (2023: £171,542) in supporting the objectives of the PCC. Many of the church utilities and running costs remained on a level with 2023. Exceptional items of expenditure included the purchase of new Hymnals; the Church Room refurbishment and the church tower louvres - some of the cost of which came from the Church Wall Fund. This was also the first year of employing an Administrator and the continuation of the employment of a Children & Families Worker.

Overall £81,198 was spent from reserves, leaving £114,862 in unrestricted funds and £208,945 of restricted funds at the year end. The PCC has reserves which are held on deposit in the CBF Church of England Deposit Fund and the CBF Church of England Investment Fund, together with some reserves held in the Barclays accounts.

It is the PCC's policy to maintain reserves so that it can meet immediate expenditure and to pay for future major expenditure including that arising from future quinquennial reviews to maintain the churches, work on the church bells and other improvements to the church.

RESPONSIBILITIES OF THE MEMBERS OF THE PCC

The Charities Act 2011 requires the members of the PCC to prepare accounts for each financial year which give a true and fair view of the state of affairs of the PCC and of the incoming resources and application of resources of the PCC for that period.

In preparing those accounts, the members of the PCC are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- follow applicable accounting standards, subject to any material departures disclosed and explained in the accounts;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the PCC will continue as a going concern

The members of the PCC are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the PCC and to enable them to ensure that the accounts comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the PCC and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT
TO THE MEMBERS OF THE PAROCHIAL CHURCH COUNCIL OF THE PARISH OF ST
NEOTS WITH EYNESBURY**

I report on the accounts of The Parochial Church Council of the Parish of St Neots with Eynesbury ("the charity") for the period 1 January 2024 to 31 December 2024.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commissioner under sections 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioner. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement – no matters of concern identified

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records.

I confirm that there are no matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES
The financial statements have been prepared in accordance with the Church Accounting Regulations 2006 together with applicable accounting standards and the Charities SORP 2005.
The financial statements have been prepared under the historical cost convention.

Funds

Endowment funds are funds, the capital of which must be maintained; only income arising from investment of the endowment may be used either as restricted or unrestricted funds depending upon the purpose for which the endowment was established
Restricted funds represent (a) income from trusts or endowments which may be expended only on those restricted objects provided in the terms of the trust or bequest, and (b) donations or grants received for a specific object for which they were given. Any balance remaining unspent at the end of each year must be carried forward as a balance on that fund.
Unrestricted funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC. Funds designated for a particular purpose by the PCC are also unrestricted and are called designated funds
The accounts include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body nor those that are informal gatherings of Church members.

Incoming resources

Voluntary income and capital sources
Collections are recognised when received by or on behalf of the PCC.
Planned giving receivable under gift aid is recognised when received.
Tax refunds are recognised when the incoming resource to which they relate is received or accrued within one month of receipt.
Grants and legacies to the PCC are accounted for as soon as the PCC is notified of its legal entitlement, the amount due is quantifiable, and its ultimate receipt by the PCC is reasonably certain.
Funds raised by the fete, garden party and similar events are accounted for gross.
Other ordinary income
Rental income from the letting of church premises is recognised when the rental is due.
Income from investments
Dividends and interest are accounted for when receivable.
Gains and losses on investments
Realised gains or losses are recognised when investments are sold. Unrealised gains or losses are recognised on revaluation of investments at the end of each accounting year.

Resources expended

Grants

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding obligation on the PCC.
Activities directly relating to the work of the Church
The diocesan common fund or parish share is accounted for when payable. Any quota unpaid at 31st December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor in the Balance Sheet

Fixed Assets

Consecrated land and buildings and movable church furnishings
Consecrated and benefited property is excluded from the accounts by s10(2) (a) and (c) of the Charities Act 2011.
No value is placed on movable church furnishings held by the vicar and churchwardens on special trust for the PCC and which require a faculty for disposal since the PCC considers this to be inalienable property.
All expenditure incurred during the year on consecrated or benefited buildings and movable church furnishings, whether maintenance or improvement, is written off as expenditure in the SOFA and separately disclosed.

Other fixtures, fittings and office equipment
Equipment used within the church premises is depreciated on a straight line basis over 4 years.

Investments
Investments are valued at their market value at 31 December 24

Current Assets
Amounts owing to the PCC at 31 December in respect of fees, rents, or other income are shown as debtors less provision for amounts that may prove uncollectable.

Short-term deposits include cash held on deposit either with the CBF Church of England Funds or at the bank.

6. FUNDS

Many years ago (before 1985), three former members of the congregation, messrs. Fisher, Hawkey and Lincoln, left legacies in their wills to create a Fabric Fund to be used for repair and maintenance of the church building. The terms of the trusts were that the PCC cannot spend the capital but can spend the income from the capital. The investment of these funds is in a CBF unit trust fund from which there is a variable dividend per share. The dividends are added to the Restoration Fund's income and used for various works of restoration of the building. Expenditure on maintenance projects has been made through the General Fund rather than cashing in the above investments and this is reflected in the allocation between restricted and unrestricted funds.
