Loaning instruments to young students who would find it financially difficult to access such instruments; 2. Review of the charity's financial position at the end of the period	Para 1.21	As at 31 December 2022, the Foundation had a positive cash balance of £7,548 driven mainly by donations and after having invested £4,500 in additional instrument purchases to be able to loan more instruments to financially disadvantaged students. The Foundation is now starting to award grants for musical education assistance. We expect to award more grants going forward as more students become aware of the Foundation through various concerts held and sponsoring awards at well respected musical festivals (North London Music Festival) for young students.
