The Trustees have the responsibility of co-operating with the church leadership team in promoting the whole mission of the church, pastoral, evangelistic, social and ecumenical and has a number of active community programmes which are aimed at improving the lives of those in the local community.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the chairity should undertake.

Review of the Year

The Trustees met during the year; in addition to regular leadership meetings. We continue to serve the people of the Church and the local community through the pastoral offices. These make up a significant part of Karmel Hungarian Church ministry.

Year Review

The years activities continued to be impacted by the global Covid pandemic outbreak. However, restrictions on gatherings began to ease and weekly morning services were resumed with social distancing and ventilation guidance in place. The on-line broadcasts also continued to enable the vulnerable to be involved.

In the summer children's activities resumed with health and safety guidance rules in place.

Towards the end of the year a midweek discipleship group began fortnightly and the women's ministry continued with monthly Bible studies and prayer.

By the end of the year our activities began to get back to normal with a degree of optimism for the future.
