CHAIRMAN'S STATEMENT
FOR THE YEAR ENDED 31 MARCH 2024

The chairman presents his statement for the year.

Dear Friends,

I am once again proud to reflect on what has been another incredibly successful year for our charity. Thanks to the generous support of our donors, partners, and volunteers, we have made significant strides forward in furthering our mission and bringing hope to those who need it most in our wonderful city of Sheffield.

The simple aim of getting one thousand people to each donate £1 per week which then gives them the ability to nominate where the £1000 goes, has proved incredibly successful. The experienced and dedicated Nominations Committee have then taken time and due diligence to ensure that every £1 donated goes to a very worthy cause.

Gifting with Purpose

This year, we were fortunate to gift substantial funds to a number of meaningful charities and those who need it the most. These gifts have had a profound impact, enabling us to:

- Provide critical resources to underserved communities.
- Gift money to various educational programs, reaching thousands of children and adults.
- Support mental health initiatives, which have never been more needed.
- Aid young families with new babies unable to provide the basics.
- Supported a number of foodbanks to help provide emergency food and support to people facing hardship.
- Gifted monies to assist people who are homeless to help with shelter, care, and guidance.
- Gifted monies to families in need of financial support.

The Nominations Committee has thoughtfully planned the distribution of these funds to ensure maximum impact. It has been extremely rewarding to see the real, transformative change they have sparked. Every Pound donated has helped shape a brighter future for those we serve.

A Year of Growth

2024 has been a year of remarkable growth for our organisation in terms of finances and infrastructure. We are proud to report that we surpassed our fundraising goals, which is a testament to the incredible dedication of our everyone involved within The Sheffield 1000-1 Charity. This success has allowed us to:

- Partner with Westfield Health and their very supportive CEO Dave Capper. This development has proved very successful, and we have been overwhelmed by the support of the local business community – with a number of companies choosing to become Corporate Members supporting our work.
- Develop a strong team of experienced and trusted volunteers to support the Trustees. Sarah Rowland - Executive Director from BRM has joined the Trustees Meetings to add experience and knowledge from a legal and compliance perspective.
- Vickie Clarke Brown – Financial Director of Kit Locker has joined the Trustees Meetings to advise on all financial, reporting and governance matters.
- We have launched a new website which has significantly improved both the visual presentation of the charity's work and is far more user friendly and interactive.
- We have increased the size of the Nominations Panel which will give that team an additional level of experience and knowledge. We are extremely grateful to all new and existing members of this panel who take their responsibility very seriously.

The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the charity.

Objectives and activities

a. Policies and objectives

The primary objective of the Charity is to get 1000 individuals who all donate £1 per week. When we have raised enough funds, we contact the donors to request nominations where the £1000 should be allocated. This list is then collated and passed to our experience nominations panel for them to decide on when the funds should be assigned.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies for achieving objectives

We aim to raise the provide of the charity within Sheffield through Social Media, launch events and attending various functions to increase awareness of the charity. We also aim to use contact from the Trustees and our Patron within the media to highlight the Charitys work on both TV, Radio and the written press.

c. Activities undertaken to achieve objectives

Events have taken place at Westfield Health Offices which was attended by the BBC, ITV and Sheffield BBC Radio. Various posts on social media have also contributed to the increased awareness of the charity and the willingness for people to become involved and also to donate.

There are various meetings that have taken place with potential new key people that will attend the Trustees Meeting to give additional strength to the Charity which has resulted in Sarah Rowland and Vickie Clark-Brown joining the team. We are developing a corporate program to get local businesses involved. We are building strong foundations to enable us to have another year of growth and to be able to further support those in our city that need it the most.

Achievements and performance

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2024

Independent examiner's report to the Trustees of The Sheffield 1000-1 Charity ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2024.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1.

The Sheffield 1000-1 Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they adopt the going concern basis in preparing the financial statements.

1.3 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

1. Accounting policies (continued)

1.4 Expenditure (continued)

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

1.5 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.6 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

1.7 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2024.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
