REPORT OF THE TRUSTEES FOR THE PERIOD 1 APRIL 2024 TO 31 MARCH 2025

The trustees present their report with the financial statements of the charity for the period 1 April 2024 to 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objects and Aims

The WW1 Remembrance Centre, to advance education for the public benefit in the stories and events of the First World War through collecting, preserving, and interpreting Artefacts, Photographs, Documents, Manuscripts, and oral history testimony, and through the operation of a museum, workshops, lectures and battlefield tours. Nothing in this constitution shall authorise an application of the property of the CIO for purposes which are not charitable.

Activities

The WW1 Remembrance Centre hosts group visits from schools, clubs and associations and both current and former members of the Armed Forces. We also host students undertaking work placements, young people volunteering as part of the Duke of Edinburgh Award Scheme, and overseas students learning English language, culture and history. Guided tours of WW1 battlefields in Belgium and France are arranged in association with the Centre, but are operated independently. Our Museum is open to the public five days a week, (subject to availability of volunteers), with entry free of charge.

The WW1 Remembrance Centre premises are in a Scheduled Ancient Monument, without mains electricity, gas, water supply or drainage, which imposes particular challenges for access, safety and comfort of staff and visitors. The Trust intends to continue to occupy, conserve and maintain these premises on behalf of the landlord, Portsmouth City Council, and to work within the limits of Scheduled Monument restrictions to keep the building safe and accessible. The Trust will undertake fundraising events to finance this and our core activities, while maintaining a sound financial base.

Activities outside the UK

The Trust undertakes no activity outside the UK.

Trading subsidiaries

The Trust has no trading subsidiaries

WW1 Remembrance Centre
REPORT OF THE TRUSTEES
FOR THE PERIOD 1 APRIL 2024 TO 31 MARCH 2025

FINANCIAL REVIEW

Overview

Prior to and since becoming a Charitable Trust, the WW1 Remembrance Centre has always tried to achieve financial balance each year. However, the unpredictable and somewhat seasonal nature of reliance on donations means that management of cash flow can be difficult across the financial year. To resolve this the Trustees have stripped out unnecessary costs and made savings where possible in order to build up a moderate cash reserve to absorb fluctuations in receipts and outgoings, to improve our financial position in future years. This policy, alongside improved publicity and a raised local profile, has increased visitor numbers and hence annual turnover, and secured an improved financial position.

Investment Policy

The Trust has no excess cash balances at present and therefore has no investments. In the event of the charity having funds to invest the trustees will consider the options, taking independent financial advice where necessary. The trustees' policy will be to use low risk investments with the best income generating possibilities.

Reserves Policy

The Trust currently has no cash reserves.

Wider networks and related parties

The Trust is not a member of any wider network. The Trust has entered into a related party transaction with Deployable Solutions Ltd. for the provision of security alarms and CCTV monitoring at our premises. Deployable Solutions Ltd is owned and operated by the WW1 Remembrance Centre Patron and former Trustee, Ben French.

Safeguarding

The WW1 Remembrance Centre hosts volunteers and students aged under-18. Our CEO is DBS checked and is present at all times when young or vulnerable people are on site. One of our Trustees takes a lead role on safeguarding and ensures that our operation is in compliance with relevant guidance.

REPORT OF THE TRUSTEES FOR THE PERIOD 1 APRIL 2022 TO 31 MARCH 2023

The trustees present their report with the financial statements of the charity for the period 1 April 2022 to 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objects and Aims

The WW1 Remembrance Centre, To advance education for the public benefit in the stories and events of the First World War through collecting, preserving, and interpreting Artefacts, Photographs, Documents, Manuscripts, And oral history testimony, and through the operation of a museum, workshops, lectures and battlefield tours. Nothing in this constitution shall authorise an application of the property of the CIO for purposes which are not charitable.

Activities

The WW1 Remembrance Centre hosts group visits from schools, clubs and associations and both current and former members of the Armed Forces. We also host students undertaking work placements, young people volunteering as part of the Duke of Edinburgh Award Scheme, and overseas students learning English language, culture and history. Guided tours of WW1 battlefields in Belgium and France are arranged in association with the Centre, but are operated independently. Our Museum is open to the public six days a week, (subject to availability of volunteers), with entry free of charge.

The WW1 Remembrance Centre premises are in a Scheduled Ancient Monument, without mains electricity, gas, water supply or drainage, which imposes particular challenges for access, safety and comfort of staff and visitors. The Trust intends to continue to occupy, conserve and maintain these premises on behalf of the landlord, Portsmouth City Council, and to work within the limits of Scheduled Monument restrictions to keep the building safe and accessible. The Trust will undertake fundraising events to finance this and our core activities, while maintaining a sound financial base.

Activities outside the UK

The Trust undertakes no activity outside the UK.

Trading subsidiaries

The Trust has no trading subsidiaries

Public benefit

In accordance with the requirements of the Charities Act 2011 and the associated Charities (Accounts and Reports) Regulations 2008, the trustees confirm that they have complied with their duties to have due regard to the guidance on public benefit as published by the Charity Commission, in exercising their powers and duties in the period under review.

WW1 Remembrance Centre

REPORT OF THE TRUSTEES FOR THE PERIOD 1 APRIL 2022 TO 31 MARCH 2023

FINANCIAL REVIEW

Overview

Prior to and since becoming a Charitable Trust, the WW1 Remembrance Centre has always tried to achieve financial balance each year. However, the unpredictable and somewhat seasonal nature of reliance on donations means that management of cash flow can be difficult across the financial year. To resolve this it will be necessary to build up a moderate cash reserve to absorb fluctuations in receipts and outgoings.

Investment Policy

The Trust has no excess cash balances at present and therefore has no investments. In the event of the charity having funds to invest the trustees will consider the options, taking independent financial advice where necessary. The trustees' policy will be to use low risk investments with the best income generating possibilities.

Reserves Policy

The Trust currently has no cash reserves.

REPORT OF THE TRUSTEES FOR THE PERIOD 4 AUGUST 2021 TO 31 MARCH 2022

The trustees present their report with the financial statements of the charity for the period 9 October 2020 to 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objects and Aims

The WW1 Remembrance Centre, To advance education for the public benefit in the stories and events of the first world war through collecting, preserving, and interpreting artifacts, Photographs, Documents, Manuscripts, And oral history testimony, and through the operation of a museum, workshops, lectures and battlefield tours.

Activities

The WW1 Remembrance Centre have successfully opened its doors to the general public for four days per week, throughout the year with a team of incredible volunteers. The centre continues to deliver lectures and talks to local research groups and school parties. As well as routinely providing first world war familiarisation sessions with groups of training members of the armed forces, the reserves, and cadet forces.

Public benefit

In accordance with the requirements of the Charities Act 2011 and the associated Charities (Accounts and Reports) Regulations 2008, the trustees confirm that they have complied with their duties to have due regard to the guidance on public benefit as published by the Charity Commission, in exercising their powers and duties in the period under review.

ACHIEVEMENTS

In the current climate, continuing to operate feels like an achievement, and we would wish to thank our supporters and volunteers for their hard work.

The WW1 Remembrance Centre has had a number of very successful work experience placements, of both UK national and international students, some of which have gone on to spread the word about the first world war in their countries of origin.

The centre has also managed to complete its solar power system, enabling the museum to operate with no mains power. Which the team remains incredibly proud of.

WW1 Remembrance Centre
REPORT OF THE TRUSTEES
FOR THE PERIOD 4 AUGUST 2021 TO 31 MARCH 2022

FUTURE PLANS

WW1 Remembrance centre, is looking at diversifying its income, so as to ensure that it can continue to offer free entry to the general public. Which is seen as a really important measure to ensure equity of opportunity for low income families who wish to access the remembrance centre.

The remembrance centre will also look to support through attendance more public events, to further develop audiences and advance education around first world war.

The remembrance centre will look at further developing its interpretation of its collection. Focusing on digital access, and the opportunities created by advancements in Artificial Intelligence and the digital environment as a whole.

VOLUNTEERS

The centre remains wholly run by a volunteer team of 12 core members. Volunteers are trained and developed by the museums chief executive Charles Haskell to ensure consistency of approach. Policies and Procedures relating to volunteers are being developed and reviewed in line with Charity Commission and NCVO guidance documents.

FINANCIAL REVIEW

Overview

Whilst the museum covered it's costs for the period. The Museums costs are generally low and should there be any changes to that situation. We would need to reassess cashflow and generate additional income.

Trustees are focused on looking at diversifying income and developing revenue streams additional to those related to the day to day running of the centre. To support the delivery of the organisations charitable aims.

Investment Policy

The Trust has no excess cash balances at present and therefore has no investments. In the event of the charity having funds to invest the trustees will consider the options, taking independent financial advice where necessary. The trustees' policy will be to use low risk investments with the best income generating possibilities.

Reserves Policy

The trust will seek to maintain a reserve of at least 3 months operational running cost increasing to 6 should the opportunity be available.
