Additional governance issues (Optional information)

You may choose to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Summary of the objects of the charity set out in its governing document

The Hungarian Association is aiming at providing and assisting in the provision of education, training projects and all the necessary support designed to enable individuals to improve their English language skills. The Charity seeks to advance life-long learning as well as education for the public benefit in the subject of English language and culture, in particular but not exclusively, among families with Hungarian connections living in the UK.

We provide online English courses to young people and adults as well as coaching where needed.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Hungarian Association (THA) identified the need for professional English language courses to help people improve their language skills and find opportunities in the world of work.

THA has provided:

- ✓ well-structured online courses
- ✓ learning materials and practice activities
- ✓ small group tuition for maximum efficiency
- ✓ high-quality video lessons/classroom environment
- ✓ ongoing feedback

THA helped people interact effectively and communicate confidently and fluently with friends and colleagues.

The charity has assisted people to integrate into society through providing education and training in the English language.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

THA has managed to help beneficiaries communicate with native speakers and strengthen one or more skill areas and provided them with a greater understanding of English.

THA assisted in helping its beneficiaries to interact and use English effectively in everyday situations.

THA aided its beneficiaries to look for or maintain a job in an English speaking environment and be able to manage real life scenarios, perform well on job interviews in English and communicate employment and work experience.

Brief statement of the charity's policy on reserves
