The trustees present their report with the financial statements of the charity for the year ended 31 March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

The objectives of the charity are:

- 1) The prevention or relief of poverty worldwide for the public benefit, through but not limited to:
 - a. The provision of advice, resources and services; and
 - b. The provision of food and fuel banks to those in need.
- 2) The advancement of education for the public benefit through the establishment, assistance and support of facilities for education.
- 3) To preserve and protect the physical and mental health of victims of domestic violence through such support as the trustees deem appropriate.

Public benefit

The charity's trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to Public Benefit guidance published by the Charity Commission. In planning the activities for the year, the trustees ensure that this is in line with this guidance.

ACHIEVEMENT AND PERFORMANCE

S.E.N.T manages and operates a number of different social action programmes that provide dignity, help and support in order to empower the lives of those who need it the most in Enfield, London and beyond. Those who interact with our programmes find both care and love and very practical support that allow a life to be changed for the better. **S.E.N.T** is run by a small and dedicated staff supported by more than 90 local volunteers.

The main programmes running through the year were as follows:

Foodbank

The **North Enfield Foodbank**, run in partnership with the Trussell Trust, since its launch in 2012, continued to operate every week from Jubilee Central. The Foodbank provides emergency food for local people and families in need in the London Borough of Enfield. In March 2024, the Foodbank reached the milestone of providing **One Million Meals** since its launch.

During this year, 160,000 meals were provided which represents 154 tonnes of food. The meals were provided to 17,724 people in total (10,452 adults and 7,272 children). This year the Foodbank worked in partnership with 243 referral agencies.

Adults Fed and Children Fed

Foodbank is supported throughout the year with generous donations of food, resources and time from individuals and organisations from within Enfield.

During the year, **Foodbank** relaunched the **cafe for clients** (this had previously been paused due to Covid-19), which helped create a more pleasant experience for clients, whilst also improving our signposting and referral of clients to other organisations that can support them with longer term solutions to their crisis.

With the reintroduction of the cafe, Foodbank has been able to add **additional advice service booths** in order to provide more holistic help and provide a pathway out of poverty. The following additional services have been made available at the Foodbank :

Citizens Advice Bureau

CAB provides information to assist people with legal, debt, consumer and housing problems.

Through the year, people received help, support and assistance in debt relief. 55 new referrals were accepted from local agencies. Total debt held by the people helped through the year was £558,000.

Debt Centre Client testimonials:

“I just wanted to let you know I met a client today who, when asked if her circumstances had changed since she saw us last, told me that as a result of being signposted to the CAB and debt advice she:

- + has a Debt Relief Order*
- + has left an abusive partner*
- + has been rehoused from private rental to Housing Assoc accommodation*
- + has received counselling*

None of which would have happened at all unless she'd found out she was entitled to a food voucher and made that first visit to the Enfield Debt Centre

We make a difference.”

ACHIEVEMENT AND PERFORMANCE – cont.

Enfield Fuel Bank

Working in partnership with the Fuel Bank Foundation, the Enfield fuel bank was launched in February 2021 to help as many people as possible benefit from fuel crisis support so that less people are left without access to domestic gas and electricity.

Referrals come from various third party referral organisations. During the year 591 vouchers were issued to those suffering from fuel poverty.

The M6:8 Project

This domestic abuse crisis support service was set up as a direct response to the increased number of domestic abuse cases as a result of the lockdown and beyond. Its aim is to provide support for anyone fleeing from domestic abuse as well as raising general awareness of domestic abuse. The service not only offers emotional support, but also the practical support of moving and re-housing of victims. During the year the project took on 93 new referrals, which meant 270 people in total were helped.

M68 Client testimonials:

Many survivors have reported that without the support of The M6.8 Project they would not have had the courage and strength to stand up to their abusers. There have been 7 court cases where the perpetrators have been convicted and multiple non-molestation orders granted.

SMART Recovery

This recovery programme, launched in August 2022, was set up to support people on their journey of recovery from addiction. This year we hosted SMART meetings every week, 47 people attended and 12 people completed rehab and continue their journey to recovery and sobriety.

Smart Client testimonials:

“One gentlemen that has struggled with alcoholism has now been sober for over 12 months and he and his wife said that they have tried many other groups and rehabs but our SMART meetings are the only thing that has worked for him and kept him sober despite him experiencing illness and loss. These events would ordinarily have been a trigger for him to use, but with the support of the group he has remained sober during these challenging times.”

Citizens Advice Bureau

North Enfield Foodbank continues to partner with Citizens Advice Bureau. This year 263 clients visited the Citizen Advice Bureau drop-in sessions at the Foodbank. Total calculated income gain for the clients was £521,000.

FINANCIAL REVIEW

Reserves Policy

It is the charity's policy to keep three months predicted expenditure as a reserve. Since the majority of projects within the charity are restricted funds, these funds are kept within restricted funds, but are those not invested in fixed assets. As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
for the Year Ended 31 March 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements and assessment of going concern

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern, owing to the support of Jubilee Church London Ltd (Charity no. 1160372) who have guaranteed support for a minimum period of 18 months from the signing of these accounts.

The financial statements are presented in sterling (£).

Critical accounting judgements and key sources of estimation uncertainty

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have most significant effect on amounts recognised in the financial statements.

Useful economic life of tangible fixed assets:

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reassessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets.

Income

Recognition of income

These are included in the Statement of Financial Activities (SOFA) when:

- The charity becomes entitled to the resources;
- The trustees consider it probable that they will receive the resource;
- The monetary value can be measured with sufficient reliability

Donations

Donations are only included in the SOFA when the charity has unconditional entitlement to the resources.

Tax reclaims on individual donations

Income from tax reclaims are included in the SOFA at the same time as the donations to which they relate.

Investment income

This is included in the accounts when receivable.

Expenditure

All expenditure is accounted for on an accruals basis and, in accordance with the requirements of the SORP, and has been classified under headings that aggregate all costs relating to that category

Donated food

The charity benefits from donations of food which are distributed as part of its charitable activities. Food donations are high-volume, low-value items, which together with the impact of maintaining a detailed stock control system, renders the initial valuation of every donation impractical.

As the charity does not sell donated food and the items have 'nil' value when given to the beneficiaries as they are frequently close to or past sell by dates, the trustees consider that donated food has a nil value when distributed hence no corresponding sums of expenditure are recognised in the accounts.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
for the Year Ended 31 March 2024

1. ACCOUNTING POLICIES – continued

Tangible fixed assets

Depreciation is provided on tangible fixed assets and rates are calculated to write off the cost of each asset evenly over its expected useful life, as follows;

Motor vehicles over 5 years

Taxation

The charity is exempt from tax on its charitable activities.

Debtors

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

Cash at bank and in hand

Cash at bank and in hand includes cash, current bank accounts and deposit bank accounts with no withdrawal limitations.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are recognised at their settlement amount

Fund accounting

Restricted funds

The restricted funds are available for expenditure on specific projects in accordance with the donors' directions.

General funds

These are unrestricted funds available to the Church for everyday operations.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially settled at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
