INTRODUCTION

The Trustees are pleased to present their report and audited accounts for the year ended 30th September 2023

The accounts have been prepared in accordance with the Statement of Recommended Practice (SORP) 2005.

They deal with the transactions, assets and liabilities of the Isle of Ely Federation of Women's Institutes.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Isle of Ely Federation represents the WI movement in the East Cambs and Fenland districts of Cambridgeshire. The Federation consists of 27 WIs representing a membership of 632 women. The Federation became a CIO (Charitable Incorporated Organisation) during 2021.

The role of the Board of Trustees is to co-ordinate and focus the activities of the Federation in order to further the purposes of the Women's Institute movement in the Isle of Ely. Each WI is represented at the Annual Meeting, which provides an additional channel of communication.

The Federation is affiliated to the National Federation of Women's Institutes and is governed by the WI constitution, copies of which can be obtained from the Federation Office or downloaded from the MyWI website.

Procedures for recruitment and appointment of trustees

The Board of Trustees consists of up to 15 members in total. Up to 12 members are elected biennially by the WIs and up to 3 members may be co-opted by the elected Trustees.

Any member who has at least 1 year's membership is eligible to stand for election or co-option as a Trustee.

The Chairman, Treasurer and other Officers are elected annually by the Trustees from among their own number.

Policies and procedures for the training and induction of trustees

Following election, members of the Board receive training from NFWI.

Organisational structure of the Charity and how decisions are made

The Board meets 11 times a year. The Officers meet at least 4 times a year. The Treasurer is advised by an independent accountant. Much of the work of the Board is delegated to additional working committees with members of the Board of Trustees and members co-opted from WIs within the Federation. The committees include Membership, Home Economics, Public Affairs and Leisure Activities.

The Board determines policy and strategy based on advice from its members and various working committees.

Day to day management is delegated to the Secretary who is accountable to the Board.

The following matters require Board approval:

- The annual budget
- Reserves policy
- Capital expenditure
- Investment policy on the recommendation of professional advisers
- The risk register
- The annual Financial Statements

Risk Management Policy

The Board regularly reviews the major risks facing the charity and ensures appropriate action is taken to mitigate the impact of risks where possible; a risk register is maintained and updated at least annually.

The principal risks that face the Federation include financial risks.

Financial risks are controlled through sound governance and robust financial control. Risks of a decline in membership and receipts from events are managed through proactive promotion and recruitment.

Objects

The objects of the Federation are to further the purposes of the Women's Institute movement: To enable women who are interested in issues associated with rural life, including arts, crafts and sciences, to take an effective part in the improvement and development of the conditions of rural life: to advance their education in citizenship, in public questions both national and international, in music, drama, and other cultural subjects and to secure instruction and training for them in all branches of agriculture, handicrafts, home economics, health and social welfare. It gives to women the opportunity of working together through the Women's Institute organisation and of putting into practice those ideals for which it stands.

Activities

The Federation supports, assists and advises WIs to provide an effective programme for the delivery of the objects. It promotes women's concerns and interests by providing a forum within which members' views shape policy and strategy and it represents member's views to the National Federation and local and national government. The Federation provides information, training and education services to members.

Strategies

The key elements of the Federation's medium to long-term strategy are to:

1. Offer a wide range of learning opportunities in a variety of settings, making available training in the widest sense, encouraging personal development, promoting lifelong learning and ensuring traditional skills are preserved.
2. Encourage WI members to adopt healthier, more sustainable lifestyles by supporting activities in the areas of sport and leisure, the sciences and combined arts.
3. Increase the WIs influence on legislators, opinion formers and the public at large with regard to politically and socially important local, national and international issues and to maintain the WIs position as a respected voice of reason, integrity and intelligence.

Principal Objectives for the year ended 30th September 2023

The Federation's principal objectives were:

- To continue to retain and gain members and promote a positive modern image. To continue to offer a wide range of learning opportunities in a variety of settings, making them available in the widest sense, encouraging personal development, promote lifelong learning and traditional skills
- To continue to encourage members to adopt healthier and more sustainable lifestyles
- To continue to increase the influence of the WI on legislators, opinion formers and the public at large with regard to politically and socially important local, national and international

issues of social and political importance and to maintain the voice of the WI as a respected voice of reason integrity and intelligence.

- To continue to improve communication with members

Achievements and Performance

- **Gaining and retaining members and promoting a positive image of the WI**
- Total membership in the year was 632. Some WIs have seen a small decrease in numbers due to members lost through advancing age and illness. Others have seen a small increase in numbers.
- The Federation makes a continuous effort to seek publicity for events and to promote the WI whenever the opportunity arises.

Education, training and learning

- The Chairman and Treasurer attended the NF National Council
- The choir continued to meet twice monthly and sang at our Carol Concert, as well as accepting invitations to entertain residents in sheltered accommodation and at other venues.
- The panels produced as a result of our HLF project have been, and continue to be, put on display at various locations within the Isle and beyond.
- At Federation meetings, members had the opportunity to listen to some interesting speakers. We enjoyed the Federation Annual Meeting by Zoom when our speaker was Sue Beavan from Suffolk West Federation on her travels to France. In October we held our Federation Day at Wisbech St. Mary where Lucy Lewis delighted us with an account of her work in the armed forces and her current employment as University Marshall in Cambridge.
- The Chairman and Treasurer attended National Council in October by Zoom
- The Membership Committee organised a Zoom meeting with Presidents and Treasurers to discuss the flexible subscription for individual WIs.
- The Leisure Activities sub committee organised zoom meetings on many different subjects from December 2020 to June 2021. These included a Literary Evening with Diane Calton-Smith, a flower workshop with Ann, two coffee and gentle exercise with Andy, craft afternoon with Muriel, an evening with Paulus, tour of Cambodia and Vietnam with Sheila Day and a talk on the RNLI. When we could meet in between lockdowns we held a walk around Ely with Sheila Willson. We had a competition for What 2020 Meant to Me and a word competition.
- The Home Economics sub committee arranged Yarn Bombing in June to celebrate our 100 years.
- The Chairman and Treasurer attended a fair in Whittlesey to promote the WI.
- The Public Affairs sub committee organised a Zoom meeting to discuss the NFWI resolutions.
- WI delegates and federation reps attended the NFWI Annual Meeting by Zoom in June 2021

Campaigning

The Board continues to monitor ongoing NF campaigns.

Communication with members

The Federation Newsletter is issued on ten occasions each year. Because it is produced in-house, topical items can be included easily. It is now also emailed to WIs for onward transmission to their members.

Board members are encouraged to attend Federation events and visit local WIs. They also accepted invitations to attend Annual Meetings of other Federations.

FINANCIAL REVIEW

General Fund

This fund is unrestricted and is used for all charitable purposes without restriction in accordance with the governing documents.

Funds in Deficit

There are no funds in deficit.

Investment Policy

The Federation's investments are managed by the Board of Trustees, who takes expert advice ensuring that investments are ethical. Monthly reports are received at Board meetings.

Reserves Policy

The Federation requires reserves to allow it to continue to work to promote the interests of women in accordance with WI objectives. The reserves policy is reviewed annually by the Board.

The Trustees policy is to hold sufficient free reserves:

1. To meet its working capital requirements, particularly given that the majority of membership subscription income is received in April/May each year and
2. To mitigate the impact of risks; the amount required being based on the risk assessment and calculated in relation to cover each risk and the likelihood of that risk occurring.

On that basis the total free reserves requirement is estimated to be equivalent to 4 months. At September 2021 the actual free reserves were £37,801.

FUTURE PLANS

The Federation's medium to long-term plan is kept under review and adjusted to meet changing needs and the extent to which needs have been met in previous periods.

The principle objectives for the coming year are:

- To continue to work with WIs to retain and recruit members and to promote a positive image
- To continue to offer a wide range of learning opportunities, encouraging personal development, promoting lifelong learning and ensuring traditional skills are promoted by identifying needs and responding to requests for training
- To continue to promote healthier, sustainable lifestyles through the work of the Leisure and Creative Skills committee
- To continue to encourage WIs to support and take action on national and local initiatives related to WI mandates
- To encourage members to access and be involved in Social Media
- To encourage more members to take on responsibility as both committee members and officers in our WIs.

I report to the charity trustees on my examination of the financial statements of The Isle of Ely Federation of Women's Institutes CIO for the year ended 30 September 2023.

Responsibilities and basis of report

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act).

Having satisfied myself that the financial statements of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's financial statements as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in accordance with section 386 of the 2006 Act ; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the accounting requirements under section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

OBJECTIVES AND ACTIVITIES

The Isle of Ely Federation of Women's Institutes CIO
Trustees Annual Report

The objects of the Federation are to further the purposes of the Women's Institute movement: To enable women who are interested in issues associated with rural life, including arts, crafts and sciences, to take an effective part in the improvement and development of the conditions of rural life: to advance their education in citizenship, in public questions both national and international, in music, drama, and other cultural subjects and to secure instruction and training for them in all branches of agriculture, handicrafts, home economics, health and social welfare. It gives to women the opportunity of working together through the Women's Institute organisation and of putting into practice those ideals for which it stands.

The Federation supports, assists and advises WIs to provide an effective programme for the delivery of the objects. It promotes women's concerns and interests by providing a forum within which members' views shape policy and strategy and it represents member's views to the National Federation and local and national government. The Federation provides information, training and education services to members.

ACHIEVEMENTS AND PERFORMANCE

Gaining and retaining members and promoting a positive image of the WI.

Total membership in the year was 656 (down from 672) spread across 27 Women's Institutes.

At September 2023 the cash reserves were £71,045 (2022 £71,150).

PLANS FOR FUTURE PERIODS

The Federation's medium to long-term plan is kept under review and adjusted to meet changing needs and the extent to which needs have been met in previous periods.

The principle objectives for the coming year are:

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The above report has been prepared in accordance with the provisions applicable to companies subject to the small companies regime as set out in Part 15 of the Companies Act 2006 and in accordance with the Charities SORP (FRS 102).

Independent Examiner's Report to the trustees of The Isle of Ely Federation of Women's Institutes CIO

I report to the charity trustees on my examination of the financial statements of The Isle of Ely Federation of Women's Institutes CIO for the year ended 30 September 2023.

Responsibilities and basis of report

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act).

Having satisfied myself that the financial statements of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's financial statements as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in accordance with section 386 of the 2006 Act ; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the accounting requirements under section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Change in basis of accounting or to previous accounts

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

Fund accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Revaluation funds	These are unrestricted funds which include a revaluation reserve representing the restatement of investment assets at their market values.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

Income

Recognition of income	Income is included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to, and virtually certain to receive, the income and the amount of the income can be measured with sufficient reliability.
Income with related expenditure	Where income has related expenditure the income and related expenditure is reported gross in the SoFA.
Donations and legacies	Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.
Tax reclaims on donations and gifts	Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.
Donated services and facilities	These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.
Volunteer help	The value of any volunteer help received is not included in the accounts.
Investment income	This is included in the accounts when receivable.
Gains/(losses) on revaluation of fixed assets	This includes any gain or loss resulting from revaluing investments to market value at the end of the year.
Gains/(losses) on investment assets	This includes any gain or loss on the sale of investments.

Notes to the Accounts

Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.
