Currently based in Hemlington we have focused most of our service efforts to this local community. We provide the area with an Eco Shop and also access to preloved clothing and household items via our Home from Home project, we generate a small income from this project by selling these preloved items.</p> <p>As well as the project delivered in Hemlington we also work with other charities, organisations, social enterprises, local businesses and agencies to support the Tees Valley where our remit allows.</p> <p>Further projects that will benefit the local community are being developed and will hopefully be rolled out in the coming financial year. We also aim to have secured funding for our core projects for a three-year period.</p>

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p><b>Eco Shop</b> We have served over 100 families per week with their requirements, the individual can shop and purchase 10 items from the shop for £2, they can then top up their shop with items we for free. We have currently saved 5,811kg of surplus food going to landfill by having this shop open. This mean food is redirected to where is it needed and not wasted. As part of the Eco Shop offering, we provide free sanitary products, these are provided via T.E.E.S, a local CIO, who work with the Hey Girls campaign to end period poverty.</p> <p><b>Home from Home</b> We have provided several families with clothing, shoes, uniform and small household items on an ad hoc basis in this financial period. This comes at a time when families are struggling so all support is appreciated. During the next financial year this project will become permanent and will be there to support more families more regularly. Any funds raised from sales of the items go back into the charity and in turn the community.</p>
