Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution
How the charity is constituted (eg. trust, association, company)	CIO
Trustee selection methods (eg. appointed by, elected by)	In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO. Every trustee must be appointed by a resolution passed at a properly convened meeting of the charity trustees.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

--

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are to further such charitable purposes (charitable under English law) as the trustees see fit from time to time.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The DSA Prospect Foundation is committed to supporting organisations close to the hearts of our clients, employees, community, families and friends.

We have made donations to a wide range of organisations locally and supported good causes further afield and have been particularly focused in helping grassroot organisations and small-to-medium-sized voluntary organisations.

The trustees welcome all requests for support and evaluate them in the board meetings against the foundations constitution. We seek to organise fundraising activities that support the charities objectives.

The DSA Prospect Foundation allocates some funds to provide help to individuals leaving care, those in education, as well as those seeking to develop talents in the arts, sports & sciences.

Last year the DSA Prospect Foundation also identified one charity to support (Charity of the Year) which was done through various fundraising events.

Our team and board worked closely together to select the charity that would best represent the work they seek to do and the same process has been followed for a new charity this coming year.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Identified and worked closely with a charity of the year which was Helen and Douglas House and was able to donate £6,000.00 towards their cause in total.

Additional support was offered to various other charities throughout the year including an organised Christmas Special donation to three local charities as nominated by DSA Prospect clients.

Supported various individuals raising donations for Just Give pages which included Sue Ryder, Make a Wish and Royal Society for Blind Children.

Section E

Financial review

Brief statement of the charity's policy on reserves

The regulations require the charity trustees to either disclose their reserves or disclose the fact that they do not have a reserves policy.

The DSA Prospect Foundation trustees have considered whether the charity needs reserves policy and concluded there is no need, therefore there is no reserves policy in place.

Details of any funds materially in deficit

The Charity does not have any funds materially in deficit.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
