1. About Hayat Humanitarian Aid

Hayat Humanitarian Aid is a registered charity with the Charity Commission since 16 August 2021. Our main objective is to help people in need in various regions through reliable, trusted local partners. We currently work with partners in Gaza, Bangladesh, Kenya, Pakistan, and Jordan, all of whom are registered charities in their respective countries. For every activity we undertake, we receive detailed reports, pictures, and videos to ensure transparency and accountability to our donors.

1.1 How We Work

We are a volunteer-led organisation. Hayat Humanitarian Aid has three trustees: Ahmed AlNashash, Yousaf Wahid, and Ashfaq Ali Choudhry. All trustees work on a voluntary basis, and we do not have any paid employees, which helps us keep administrative costs to a minimum. In addition, around ten other volunteers support us with charity collections, campaigns, and media coverage throughout the year.

Our model is to partner with reputable local organisations who understand the needs of their communities best. Through these partners, we deliver food, water, education support, orphan sponsorship, Zakat, and emergency relief to vulnerable families.

1.2 Our Trustees

- **Ahmed Al-Nashash** – Chairman and co-founder of Hayat Humanitarian Aid.
- **Yousaf Wahid** – Trustee, overseeing fundraising and community engagement.
- **Ashfaq Ali Choudhry** – Trustee, supporting operations and governance.

2. Message from the Chairman

Alhamdulillah, by the grace of Allah and through the generosity of our donors, Hayat Humanitarian Aid continued to grow and serve more people in need during the period from September 2024 to August 2025. The reporting year was marked by both immense hardship in many of the regions we served and by inspiring acts of kindness and sacrifice from our supporters.

In Gaza, with the ongoing humanitarian crisis, your donations enabled us to provide essential support worth £564,234 in the form of hot meals, clean water, food parcels, blankets, mattresses, baby milk, bread, Zakat distribution, orphan sponsorship, Ramadan meals, Eid clothes, tents, food vouchers, and Qurbani. Across Bangladesh, Jordan, Kenya, Pakistan, Rohingya refugee camps, and other regions, we delivered Qurbani, food assistance, water projects, school stationery, and orphan care that transformed the daily lives of many people.

We are particularly grateful for the brothers and sisters who committed to sponsoring orphans in Gaza, allowing us to support 50 orphans with a monthly allowance that covers their basic needs. Our water projects in Rohingya areas provided clean water to many families who previously struggled to access this necessity.

November 2025 marked setting a new initiative where we planned and began to expand our efforts in the UK by launching Hayat Kitchen in November 2025 to serve hot meals to local families in need and homeless people.

3. Our Work by Country

3.1 Gaza

In Gaza, we delivered projects totalling £564,234 during the reporting period. With the help of our partners, we provided hot meals, clean water, food parcels, vegetable parcels, blankets, mattresses, bread, flour, baby milk, Zakat, orphan sponsorship, Ramadan meals, Eid clothes, tents, food vouchers, and Qurbani. This support reached families facing severe hardship, displacement, and food insecurity. Our focus was on meeting immediate needs while also supporting orphans and vulnerable families over a sustained period.

3.2 Bangladesh

In Bangladesh, we implemented projects worth £12,650. These included Qurbani, food parcels, Ramadan meals, and Zakat distribution to families in need. Through our partners, we were also able to support Rohingya refugees with essential services such as food assistance and water projects.

3.3 Jordan

In Jordan, we delivered projects totalling £10,165. Our activities included Zakat distribution, Eid clothes, school stationery, hot meals, heaters, and blankets for families in need. These interventions helped families cope with the high cost of living and harsh winter conditions, particularly refugees and low-income households.

3.4 Kenya

In Kenya, we implemented projects worth £6,250. During Qurbani, we provided 50 sheep and 30 cows, distributing meat to poor families and children in orphanages. In addition, one of our volunteers visited three orphanages, where we distributed ten sewing machines and provided meals to the orphans. These sewing machines support livelihood opportunities and skills development for the older children and carers.

3.5 Pakistan

In Pakistan, we delivered projects valued at £3,545. We provided Qurbani in the form of 20 sheep, which were distributed among poor families. We also distributed hot meals during Ramadan, enabling needy families to break their fast with dignity.

3.6 Rohingya Refugees (Bangladesh)

For Rohingya refugees in Bangladesh, we implemented water projects worth £4,000. We provided 16 water pumps in Rohingya areas, each supplying clean water to at least eight families. These pumps are a vital lifeline, improving health and hygiene for displaced families who have limited access to safe drinking water.

4. Thematic Impact

4.1 Food Assistance

Food security remains one of our top priorities. Through donations received, we delivered hot meals, food parcels, vegetable parcels, bread, flour, and food vouchers in several countries. During the financial year, we provided hot meals on a daily basis, feeding about 400 families a day on average. These hot meals had a great impact on displaced people in Gaza who lost their homes and had no means to provide food for their families. We worked with partners to distribute food parcels containing essential items such as rice, oil, sugar, tea, pasta, and other staples. The cost of each food parcel ranged from £30 to £60, depending on the country and contents.

- **Gaza:** 600 food parcels distributed.
- **Bangladesh:** 300 food parcels distributed.
- **Jordan:** 300 food parcels distributed.

In addition, we provided Ramadan meals and Qurbani meat to ensure families could observe key Islamic occasions without worrying about basic food needs.

4.2 Education and School Support

Many children in the communities we serve struggle to afford basic school supplies. In response, we launched a school stationery campaign in 2024. The response was excellent, and we delivered:

- 200 school stationery packages in Jordan.
- 400 school stationery packages in Bangladesh.

These packages helped children attend school with dignity and better prepared them for learning.

4.3 Orphan Care and Livelihoods

Our orphan sponsorship programme in Gaza supported 50 orphans through monthly contributions of £40 each. This programme covers essential living costs and allows children to focus on their education. In Kenya, our visit to three orphanages included distributing ten sewing machines (ages varying between 15 to 25) and providing meals to the orphans. The sewing machines support small income-generating activities and skills training, helping orphanages become more sustainable.

4.4 Zakat

Throughout Ramadan and other months, many brothers and sisters entrusted us with their Zakat. We ensured this was distributed in cash to those who are entitled, according to Islamic principles. We distributed approximately £32,000 in Zakat through our partners in Bangladesh, Jordan, and Gaza. This support provided immediate relief to widows, orphans, families in debt, and other eligible recipients.

4.5 Qurbani

During the Hajj season, we carried out Qurbani on behalf of donors in multiple countries. The total value of Qurbani donations was £15,000. The number of animals sacrificed in each country was as follows:

- **Pakistan:** 20 goats.
- **Gaza:** 12 goats and 10 cows.
- **Bangladesh:** 5 goats and 1 cow.
- **Kenya:** 50 goats and 30 cows.
- **Jordan:** 2 cows.
- **Rohingya:** 5 goats.

The meat was distributed to poor families, enabling them to share in the joy of Eid.

4.6 Clean Water

During this financial year, we provided thousands of litres of clean water in Gaza. In some months, we provided 200,000 litres a day, benefiting hundreds of families because most of the normal water supplies were destroyed during the war. After the Rohingya crisis, thousands of refugees settled in camps in Bangladesh with very limited access to clean water. To help address this need, we launched a water pump campaign. We provided 16 water pumps at a cost of £250 each. Each pump serves at least eight families, giving them access to clean water for drinking, cooking, and washing.

5. Financial Overview (Summary)

During the reporting period, donor contributions were allocated across several key areas and countries. Major expenditure included:

- **Gaza Projects:** £564,235
- **Bangladesh Projects (excluding Rohingya water):** £12,650

- **Food, Baby milk, tents and Water in Gaza:** £524,685

- **Orphan Sponsorship in Gaza:** £25,000
- **Rohingya Water Projects:** £4,000
- **Zakat Distribution (Bangladesh, Jordan, Gaza):** Approximately £32,000
- **Qurbani (Multiple Countries):** £15,000

Total Project Expenditure: £600,685

- **Gift Aid Received:** £49,637
- **Brought Forward Balance (Previous Year):** £183,577
- **Total Available Income:** £642,318

All trustees and volunteers serve without pay, and we have no salaried staff, which allows the maximum possible portion of donations to reach those in need. Funds are transferred through registered local partners who provide documentation and media evidence for every project. Crucially, only 22% of the Gift Aid received was used to cover operational expenses—the remainder was directed entirely towards our charitable projects. This demonstrates that we proudly uphold our 100% donation policy, ensuring that every pound donated by our supporters goes directly to the people and causes that need it most.

6. Future projects

6.1 Hayat Kitchen (UK)

November 2025:

We began planning and commenced a new initiative to start working more actively within our local community in the UK, focusing on health and education, as well as basic needs. We scheduled our first UK-based project (for basic needs) - Hayat Kitchen, which we set to launch in November 2025. Through Hayat Kitchen, we aimed to provide hot meals to families in need and to homeless people in our local area. This project is set to commence with the support of volunteers and local partners, in line with our commitment to serving both international and local communities.

Chair's Foreword

On behalf of the Board of Trustees, it is with immense gratitude and pride that I present the annual report for Hayat Humanitarian Aid. The financial year 2023-2024 has been one of significant challenge across the globe, with ongoing crises demanding a compassionate and swift response. Thanks to the unwavering generosity of our donors, primarily from our local community in Luton and across the UK and abroad, we have been able to provide a lifeline to thousands of vulnerable individuals.

This year, we focused our efforts on providing critical emergency relief in conflict-affected regions like Gaza, establishing sustainable solutions like clean water, hot meals, baby milk, clothes, vegetable baskets and more, and continuing our vital support for orphaned children.

Our income of **£398,611 plus £32,281 from Gift Aid**, is a testament to the trust you place in our work. We have diligently translated this support into meaningful action, with over 98% of our expenditure directly funding our life-changing projects. We thank every single donor, volunteer, and staff member. Your support is the "hayat" – the life – that allows our mission to continue.

Objectives and Activities

Our Charitable Objects:

The objects of Hayat Humanitarian Aid are the relief of poverty, sickness, and distress, and the preservation and protection of good health, particularly but not exclusively for people affected by conflict, natural disaster, or other humanitarian crises, anywhere in the world.

Public Benefit:

The Trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing our aims and objectives and in planning future activities. Our activities, detailed below, are undertaken to further our charitable purposes for the public benefit.

Main Activities in 2023-2024:

To achieve our objectives, we undertook the following key activities:

- **Emergency Food Aid:** Distribution of essential food parcels, hot meals, vegetable baskets to families and displaced persons in Palestine, Jordan, Morocco, Bangladesh.
- **Clean Water Projects:** Construction of water Pumps and infrastructure to provide safe and sustainable access to clean drinking water in Bangladesh, Rohingya Refugees area. We provided clean water for the displaced people in GAZA.
- **Orphan Sponsorship:** Providing financial support for the education, healthcare, and welfare of orphaned children, we are supporting 40 Orphans in Gaza and one orphan in Bangladesh.

Achievements and Performance

This year, your donations have made the following possible:

- **Emergency Food Aid (£191,950):** We successfully distributed over 1,000 emergency and vegetable food parcels, along with 40,000 large hot meals—each meal serving a family of five. These initiatives have provided vital

sustenance to an estimated **200,000** individuals across Gaza, Jordan, and Bangladesh, all of whom are facing severe food insecurity.

- **Clean Water Project (£26,200):** We funded the construction of water pumps in Rohingya refugees' camps in Bangladesh, and providing clean water to the displaced people in Gaza. We provided 10,000 litres on daily basis for months in the north and the middle areas of Gaza. This distribution now provides daily access to clean and safe water for over **two thousand of people**, dramatically reducing the risk of waterborne diseases and freeing women and children from the burden of walking long distances for water.
- **Orphan Sponsorship Programme (£19,450):** We continued our commitment to **41 orphaned children**, ensuring they have access to education, clothing, healthcare, and a safe environment, thereby giving them the opportunity for a brighter future.
- **Response to the earthquake in Turkey:** we provided food parcels and mobile cabinets for the cost of **£16,466**, we estimate that more than 200 hundred families benefited from the food parcels and 5 families benefited from the mobile cabinets.
- We provided 100 food parcels to the families who affected by the earthquake in **Morocco**, we spent **£3000**.
- We launched a Qurbani project in **Kenya**; we provided 70 sheep and 15 cows for poor people and children in orphanages, the cost was **£7040**
- We provided Qurbani in Pakistan, Palestine, Yemen and Jordan where it was distributed to the poor people through our charity partners . More than 500 families benefited in those countries, the cost was **£7515**.

Financial Review

The charity's financial performance has been strong, reflecting the remarkable generosity of our supporters.

- **Income:** Total incoming resources were **£430,892**. The vast majority of this (£398,611) came from individual donations and fundraising events, supplemented by £32,281 in Gift Aid. The income increased by 350% compared to the previous year.
- **Expenditure:** Total expenditure was **£278,001**. Of this, **£271,621** was spent directly on charitable activities. The remaining **£6,380** was spent on essential support and governance costs, including fundraising, administration, and compliance, representing just 2% of total income.

Dear Mr Al-Nashash

Re: Examination of Charity Accounts for Hayat Humanitarian Aid for period commencing 1st September 2023 to 31st August 2024

We are acting as accountants for our above-mentioned client.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is

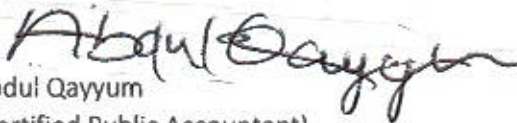

given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

- I have conducted an examination and confirm that no material matters have come to my attention in connection with the examination.
- The accounts have been prepared in accordance with the requirements of the Charity Act 2011.

Should you have any queries or require any further information then please do not hesitate to contact us in the first instance.

Yours sincerely

Abdul Qayyum

HAYAT HUMANITARIAN AID

Accounts

Hayat Humanitarian Aid Annual Report Aug 21-Aug22

Hayat Humanitarian Aid was registered with the Charity Commission on 16/08/2021. Our main objectives are to help people in need in different areas. We have partners in Gaza, Jerusalem, Lebanon, Kenya, Pakistan, and Jordan. All these partners have registered charities in their countries, and we receive reports, pictures, and videos for every activity we do.

We have 3 Trustees, Ahmed Al-Nashash, Yousaf Wahid, Ashfaq Ali Choudhry; all the trustees are working as volunteers. We don't have any paid employees working for the charity. We have about ten other volunteers who are helping us in charity collection and media coverage.

We responded during the first year of our operation to a few natural disasters in Bangladesh and Pakistan.

Our activities

1. **Hot meals:** we worked with our partners in Gaza, Jerusalem, Lebanon, Bangladesh, and Jordan to provide hot meals to families in need. Our partners have their kitchens and professionally provided the service, following the health regulations.

Here are the numbers of hot meals and beneficiaries:

Jordan: 1000 hot meals, 1000 families, average number of family members were 5.

Gaza: 3000 hot meals, 3000 families, average number of family members were 5.

Jerusalem (Masjed Al-Aqsa): 400 meals, 400 families, average number of family members were 4.

Lebanon: 500 hot meals, 500 families, average number of family members were 5.

Bangladesh: 500 hot meals, 500 families, average number of family members were 5.

2. **Food parcels:** we worked with our partners on distributing Food parcels to families in need. The food parcels consisted of essential items like rice, oil, sugar, tea, pasta, and other items. The cost of food parcel varied from £20-£40.

The number of food parcels distributed are as follows:

Gaza: 500 food parcels

Bangladesh: 400 food parcels

Lebanon: 300 food parcels

Pakistan: 100 Food parcels

Jordan: 200 Food parcels

Jerusalem: 200 food parcels

3. **School Stationery:** We realised that there are many students in different countries who can't afford the basic stationary items for the school.

Hence, we launched a campaign in 2021 and 2022 for that, alhamdulillah (all praise belongs to Allah) the response was great, so we managed to deliver the following:

Jerusalem: 200 School stationary packages

Jordan: 200 School stationary packages

Gaza: 150 School Stationary packages

4. **Qurbani:** Alhamdulillah, we managed to deliver the Qurbani that the donors contributed during Hajj season in the following countries:

Pakistan: 2

Bangladesh: 8

Gaza: 8

Kenya: 70

Lebanon: 8

5. **Orphans:** We understand the vulnerable situation of Orphans who lost their fathers and find themselves without support, so we launched a campaign to sponsor Orphans in Gaza. Alhamdulillah, a few brothers and sisters supported 30 orphans on monthly basis. The Monthly cost is only £40, which helps meet the basic needs of the orphans.

6. **Winter Packages:** we provided winter packages to families in need in Gaza, Jerusalem, Jordan, and Bangladesh. These packages helped those people cope with the cold weather in their countries. We provided 100 packages to each of the above-mentioned countries.

7. **Zakat:** During Ramadan and other months, there are many brothers and sisters who like to pay their Zakat, which we receive and distribute, i.e. Cash to those who are entitled according to the Islamic way. We distributed about £10,000 in Bangladesh, Lebanon, Jerusalem, Jordan, and Gaza through our charity partners.

8. **Long-term projects:** we worked with our partners in Bangladesh to provide ten sewing machines to families there so they could work and cover part of their financial needs.

9. **Water Pump:** After the crisis of Rohingya, thousands of them became refugees in Bangladesh. One of their needs is clean water, so we launched a campaign of providing water pumps in the refugee's area, Alhamdulillah we managed to establish 30 water pumps, the cost is £250 each.

10. **Future:** we are planning to start working on the needs of our local community here in the UK and see how we can help and improve their situation, mainly in health and education.
11. **Orphanage in Gaza:** We are looking to build an orphanage in Gaza so the orphans that we are sponsoring can find a proper place for their education.

Dated: 5th October 2022

Dear Mr Al-Nashash

Re: Examination of Charity Accounts for Hayat Humanitarian Aid for period commencing 16th August 2021 to 31st August 2022

We are acting as accountants for our above-mentioned client.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is

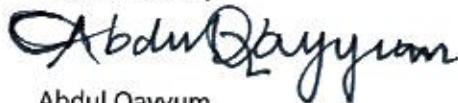

given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

- I have conducted an examination and confirm that no material matters have come to my attention in connection with the examination.
- The accounts have been prepared in accordance with the requirements of the Charity Act 2011.

Should you have any queries or require any further information then please do not hesitate to contact us in the first instance.

Yours sincerely
