Charity law requires the trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the charity at the end of the financial year and of its surplus or deficit for the financial year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently.

- Make judgements and estimates that are reasonable and prudent;
 - state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the charity law. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE MANAGEMENT COMMITTEE ON THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2022

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 43(2) of the Charities Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 43 of the Charities Act
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 43(7)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 41 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The principal accounting policies adopted in the preparation of the financial statements are set out below.

(b) Incoming Resources

Voluntary Incoming including donations, and grants that provide core funding or are of general nature are recognised where there is entitlement, certainty of receipts and the amount can be measured with sufficient reliability. Such income is only deferred when:

- The Donor specified that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions, which must be met before the charity has unconditional entitlement.

Income from commercial trading activities (such as provision of interpreting and translation services) is recognised as earned (as the related goods and services are provided)

(c) Volunteering and donated services and facilities

The value of services provided by volunteering is not included in these financial statements. Further details of the contribution made by volunteers can be found in the trustees' annual report.

Where services are provided to the charity as a donation that would normally be purchased from our suppliers, this contribution is included in the financial statements of the charity.

(d) Resources expended

(e) Irrecoverable VAT

All resources expended are classified under activity headings that aggregate all costs related to the category. Irrecoverable VAT is charged against the category or resources expended for which it was incurred: The WILTSHIRE WOMEN EMPOWERMENT PROGRAM is not VAT register so cannot recover any VAT incurred.
