Lle'Chi is governed by ESTYN. ESTYN is led by the Chief Inspector of Education and Training in Wales and inspects quality and standards in education. Lle'Chi has not received an inspection as of yet, but will be in the next year, and every four years after that.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The aim of the CIO is promoting Welsh-medium education for pre-school children in Blaenau Ffestiniog area.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Lle'Chi provides morning and afternoon education and flying start sessions throughout the week, and lunchtime childcare session, during term time for the public benefit. The Cylch follows the Curriculum for Wales Foundation phase and it provides this exclusively through the medium of Welsh. The Cylch Meithrin is accessible for all children between 2 and 4 years in the Blaenau Ffestiniog area and these children, and their families, therefore are the beneficiaries of this charity.

The trustees have due regard to the guidance issued by the Charity Commission on public benefit and understand the charity's purposes as set out in its governing document. The trustees ensure that the charity has adequate future plans that ensures it continues to meet its objectives as set out above

Additional details of objectives and activities (Optional information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The Cylch was opened due to the lack of pre-school education in the area since the closure of the last Cylch Meithrin being run in the centre of Blaenau Ffestiniog.

During the period, Lle'Chi managed to establish a good repour with the local community and has seen much support from them in our venture. The staff have worked very hard to help achieve the vision of the committee of making a success of the venture.

We successfully attained a grant from the National Lottery Community Project Grant, and a grant for a Sensory Project from Magnox which has been very valuable in enriching the children's experience at the Cylch.

The Cylch has also won a tender with the local council to run educational and sessions under the Flying Start Scheme. This has been very valuable to the community as it will support families in deprived areas to received free hours for their children, and for any children under an outreach program.

Section E Financial review

Brief statement of the charity's policy on reserves

No policy exists on the management of reserves, beyond ensuring that they are sufficient for our needs.

Details of any funds materially in deficit

No funds are in deficit

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
