This benefits our members not only physically but also by providing a sense of purpose and the security and backing of a team. Builds confidence as children make new friends with children from other local schools both through training at the club and by accessing team events in Emsay and the surrounding areas. Promotes social interaction which reduces social

We have also supported low-income families with financial help.</p> <p>We were successful in being granted sole use on Raikes Road football pitch, provided by Skipton Town Council.</p> <p>In addition to this the new pitches on Shires Lane have been completed and are now sorting out the terms of the Contract with the developer. ## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charities financial position at the end of the period had increased by nearly £2,000.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The current reserves are for several reasons: <ul style="list-style-type: none"> <li>• The on-going volatility of the financial market, the fact that we are wholly funded by the teams we have. This will enable the club to continue should there be a change in teams that the club operates and thus the impact on funds.</li> <li>• The new pitch on Shires Lane still needs funds in readiness to prepare this for eventual use.</li> <li>• The opportunity arose to regenerate an existing pitch to allow sole use by the younger age group teams, not having funds available would not have made this possible.</li> </ul>
Amount of reserves held	Para 1.22	<b>£19,332</b>
Reasons for holding zero reserves	Para 1.22	n/a
Details of fund materially in deficit	Para 1.24	n/a
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The charity is wholly dependant on volunteers and although some come through for coaching, the management of the club needs further development. If these don't start to come through then the charity would struggle to continue effectively and deliver it's objective to the community.

A description of the principal risks facing the charity	Para 1.46	With both grounds now being usable, the upkeep of these is necessary. Both will need drainage works and hopefully we can get these supported by donations and charity events.
