Objectives and Activities

For the public benefit, to advance public education in, and appreciation of music and the arts in all aspects, across Somerset, by the presentation of public concerts of artistic merit, masterclasses, workshops, exhibitions, and talks, by established arts professionals.

The Somerset International Festival of the Arts is an annual celebration of classical music and the arts which brings together world-class chamber musicians and performers to North Somerset.

Based in the intimate and beautiful setting of St Andrew's Church in Backwell, North Somerset, our festival exists to celebrate exceptional music making from some of the world's finest performers, and to support and nurture music education through partnership programmes with schools and the local community.

Financial Review

Due to circumstances out of the charity's control, specifically limitations on public performance following on from the COVID-19 pandemic, there was no activity for the charity and no income or expenditure during the period 25/08/21 to 25/03/22. There are no funds held in the charity bank account and zero reserves.

The inaugural festival performances are now scheduled to take place in October 2023, following a period of set-backs and delay due to the ongoing impact of COVID-19 on the arts industry. Planning and fundraising is underway in preparation for this.
