Many thanks

Developing Oldham More Efficiently Chair

Treasurers Report

To reiterate the chair's statement. The charity has had no income this financial year and as such no expenditure has taken place.

Developing Oldham More Efficiently however has implemented a policy that it will only spend what money it receives in sponsorship, from fundraising and grant applications and will continue to work this way going forward. Working this way ensures we will also live within our means.

Many thanks

Developing Oldham More Efficiently
Report of The Trustees
31st March 2025

The trustees are pleased to present the report on activities and projects of Developing Oldham More Efficiently for the period to 31st March 2025

OBJECTIVES AND ACTIVITIES

Developing Oldham More Efficiently is a Charitable Incorporated Organisation, the aims and objectives are outlined in the organisations constitution. The Objects of Developing Oldham More Efficiently are the development of the capacity and skills of people within Oldham.

GENERAL REVIEW

Developing Oldham More Efficiently deliver programmes in communities across Oldham. These programmes are delivered to all genders, ages and ethnicities working in partnership with key organisations to identify those in need and get them the support they need.

RESULTS OF ACTIVITIES

Financial results of activities are enclosed in the attached financial statement.

Income and expenditure have been restricted due to the time delays it has taken to open a bank account for the charity.

RESERVES POLICY

In order to make judgement of the amount of reserves Trustees have considered the risks in respect of expenditure, unrestricted income and where appropriate restricted income and where funds can only be realised by the disposal of a fixed asset. Also taken into consideration are any external identified potential major risks to income and expenditure during the year under consideration.

Developing Oldham More Efficiently is currently dependant on funding to sustain its activities, as earned income alone would not allow it to continue operating. This means that if there were to be a gap in funding it is likely that Developing Oldham More Efficiently would have to close down. To avoid closure if funding difficulties were to happen, the board of trustees has agreed to keep a certain level of financial reserves to ensure that main operations can continue for a period of twelve months.

The level of reserves are calculated and monitored every six months by the board of trustees.

Developing Oldham More Efficiently
Independent Examiners report on the Accounts for the year ending
31st March 2025

The Charity trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 (“the Act”)

The charity’s trustees consider that an audit is not required for this period under section 144 of the Act and that an independent examination is needed.

It is our responsibility to:

- Examine the accounts under section 145 of the Charities Act
- To follow the applicable directions given by the Charity Commission (under section 145(5)(b) of the act and
- To state whether particular matters have come to our attention.

Our examination was carried out in accordance with the general direction given by the Charities Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records.

It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a “true and fair” view and the report is limited to those matters set out in the statement below.

In connection with our examination, no material matters have come to our attention which gives us cause to believe that in, any material respect:

- The accounting records were not kept in accordance with section 130 of the Charities Act, or
- The accounts did not accord with the accounting records, or
- The accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a “true and fair” view which is not a matter considered as part of the independent examination.

We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
