Financial Review

Review of the charity's financial position at the end of the period	£0.00
Statement explaining the policy for holding reserves stating why they are held	<p>Given this is a newly incorporated CIO, total receipts net off with total payments (single transaction occurred in the year), hence total reserves is £0.00. In the next financial year, we hope to transition our operations from old CCUK entity (No. 1117274) to this new CIO in which funds should flow through regularly creating a potential reserve.</p> <p>A Reserve policy was deemed unnecessary by its Trustee's, as the CIO did not actively operate in 2021 and 2022. Going forward if the situation changes, the entity should align a best practice reserve policy for 2023, if applicable.</p>
