Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

For the public benefit to relieve poverty or financial hardship among individuals in the Tees Valley and North Yorkshire by providing such persons with goods or services which they could not otherwise afford through lack of means.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning our activities for the year, we kept in mind the Charity Commission's guidance on public benefit at our trustees meetings.

The main activities are Crisis Requests, Holiday Hunger Campaign & Christmas Hamper Campaign.

Our Crisis Request referrals run throughout the year and demand is increasing year on year as we become more prominent in the community. We accept referrals from professionals working with the most vulnerable in our area and offer support to those in crisis due to their personal circumstances. This could be due to circumstances such as a bereavement, a relationship breakdown, unemployment, domestic violence etc. Our main support is beds, bedding and food but is not limited. Our bed campaign continues to grow and we have had support from the community to provide much needed beds and bedding. The importance of a clean and comfortable place to sleep cannot be understated. Sleep is vital for maintaining good mental and physical health and helps to repair and restore the brain as well as the body. Children who have a good night's sleep perform better at school thus impacting positively on their educational outcomes.

Our Holiday Hunger Campaign ran at Easter and Summer school holidays with more schools requesting food for their families in need. Poverty is rife in our community and our donated food bags are vital to enable parents to feed their children during the school holidays when they don't have access to free school meals or school based food clubs. Basic store cupboard food items are provided as a base for a nutritional meal which can help prevent malnutrition. Children with malnutrition are more susceptible to infection and more likely to access NHS services.

Our Christmas Hamper Campaign continues to grow each year with nominations from our referral partners such as schools, local authority teams and other local charities. We do not accept self-referrals but rely on the professional judgment of our partner agencies targeting those in financial hardship who would not be able to provide food and gifts for their family alleviating some of the stress and having a positive effect on health and well-being. Past recipients of the hampers continue to contact us to support not just our Christmas Hamper Campaign but also with our Crisis Requests reaching out to help those now in need as they were once. The support from our community has been amazing and continues to bind the community together. Local college students continue to volunteer and this year also organised the collection and making of their own hampers to be donated in support of other young people who we support in the community. This has benefited the students to understand the social make up of their community and understand the differing needs of the wider community.

Additional details of objectives and activities (Optional information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We continue to be well supported by the local community who recognise the value of what we do.

As we reach out using social media platforms, more and more of our community want to be involved and contribute to our campaigns.

Our team of dedicated volunteers are invaluable to us and we hope to develop further the roles within the organisation to involve more people.

We cannot thank our supporters and volunteers enough for their continued support throughout the year.

Summary of the main achievements of the charity during the year

Our Crisis Referrals continuing to increase year on year as we support families in crisis across Teesside. We continue to receive an average one referral per day requesting support for a variety of items including beds, bedding, wardrobes, drawers, small household items and food. We anticipate the need for our support will continue to grow as household budgets are stretched due to the cost of living.

Our Holiday Hunger Campaigns continue to provide support for families who struggle to feed their children during the holidays. We supported around 35 local schools with either food bags or supermarket vouchers and this number continues to rise as other schools become aware of our support for families.

Our 2024 Christmas Hamper Campaign was the largest so far and around 1850 families were nominated across the TS postcode area. Many local businesses now support us year on year, for which we are very grateful. We continue to receive ongoing free support with our website and hamper portal.

Our fundraising activities continued this year. We would like to thank local company Applebridge for choosing us as their Charity of the Year. The company and staff contributed massively to our Bed & Bedding campaign and we offer our sincere thanks. We also have a small number of regular personal donations, plus many other individuals who donate to us on a one off basis. We also receive donations from businesses and other local charities which are a lifeline for us.

We held 3 fundraising events during the year:

In May 2024, instead of our Ball, the trustees decided on an Afternoon Event at Middlesbrough Golf Club. Over 100 people attended and we were blessed not just with fantastic weather but also good food and lovely entertainment. A lovely afternoon was had by all and the event raised much needed funds.

In October 2024 we held a fundraising Charity Night at North Ormesby WMC. Once again it was a fantastic evening of fun and music and we thank the venue for supporting us both with the room and DJ.

Our Afternoon Tea was held in March 2025 and continues to be a very popular fundraising event with the tickets selling out within 2 days. We continue to be supported by Stainton Memorial Hall who allow us to use the venue for free and the local music group provides entertainment, again free of charge. Their continued support is very much appreciated.

Our network of volunteers continues to grow with more businesses contacting us to become involved. We would like to thank Suez for their continued support throughout the year.

We would also like to thank the small number of volunteers who help us on a week to week basis with our Holiday Hunger Campaign and Crisis Requests. We also have a large number of volunteers that support us with our Christmas Hamper Campaign and we are extremely grateful for such amazing support.

In September 2024, we were extremely proud to be recognised at the Teesside Businesswomen Awards for our work in the community when we were awarded the Charity / Voluntary Award.

Section E

Financial review

Brief statement of the charity's policy on reserves

Cash at bank at 05/04/2025 was £56184 in unrestricted funds plus £947 in gift vouchers. The main financial risk to the charity is loss of donations due to personal financial uncertainty due to the continued current economic crisis. We continue to fundraise but this is only a small part of our income – we rely on local individuals and business for the majority of our income and we continue to pursue the involvement of local businesses.

The funds are held as the Trustees continue to plan priorities for the short, medium and long term future of the Charity. The trustees, who are all volunteers with other work / personal commitments, continue to support whenever requested and foresee that the need for support will increase as the charity status becomes more prominent in the community.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended DD / MM / YYYY.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
