PRESTEIGNE AND NORTON COMMUNITY TRUST

REPORT OF THE TRUSTEES **FOR THE PERIOD 22 SEPTEMBER 2021 TO 31 MARCH 2022**

The trustees present their report with the receipts and payments accounts of the charity for the period 22 September 2021 to 31 March 2022.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principal objectives of the charity, as stated in its governing document, is to promote for the benefit of the inhabitants of Presteigne and Norton without distinction of sex, sexual orientation, race or of political, religious or other opinions, by associating together the said inhabitants and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and other leisure time occupations with the objects of improving the conditions of life of the said inhabitants. Also to establish or secure the establishment of a community centre, and to maintain and manage the same (whether alone or in cooperation with any local authority or person or body) in furtherance of these objects.

The initial focus of the charity's activities has been the planning of the project to lease the former church of St Andrew in Norton, Powys, and to adapt in as a community hub for the benefit of the residents of Norton and the surrounding area.

Public benefit

The trustees confirm that they have complied with the duty in section 4 of the Charities Act 2011 to have due regards to public benefit guidance published by the Charity Commission.

Volunteers

With the exception of the work of the project architect, the project development phase of the hub adaption project is entirely dependent on volunteers including the members of the project steering group and local residents involved in fundraising activities.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity has had limited time since incorporation in September 2021, and the major achievement so far in support of the Norton hub project has been the achievement of change of use and listed building consents from Powys CC for the changes necessary to the Grade 2 listed building.

FINANCIAL REVIEW

Financial position

For the period under review, income totalled £3,035. Expenditure of £2,181 was incurred during the period, resulting in net income of £854.

The trust's funds carried forward at 31 March 2022 total £3,438.

Principal funding sources

To date the main source of funding has been from local fundraising events and a grant from the Presteigne and Norton Town Council, received post year end.

Going concern

The trustees are not aware of any uncertainties about the charity's ability to continue as a going concern.

FUTURE PLANS

The achievement of the relevant planning permissions has established a firm basis for the further development of the charity's work on the Norton hub. The gradual build-up of funds largely through local fundraising will be accelerated in the next year to enable the project development stage to be completed, and to secure capital funding for the adaption work.

Principal risks

The principal risks are a failure to secure capital project funding, and a lack of community support for the work. Plans are being developed to address both issues.
