Trustees Serving During the Year

Kirsty Prince

Daniel Longdon

Michelle Higgins

The trustees act in a voluntary capacity and are responsible for the governance and strategic direction of the charity.

Structure, Governance and Management

Little Lady Locks is governed by its trustees in accordance with its governing document and charity law. Trustees are responsible for ensuring the charity is properly managed, financially accountable, and operating in furtherance of its charitable purposes.

Trustees oversee the charity's activities, financial management, safeguarding, risk awareness, and operational direction. Day-to-day activities are supported by staff, volunteers, wig makers, and community supporters working under trustee guidance. Policies and procedures are maintained to support best practice in safeguarding, health and safety, and financial management.

Objectives and Public Benefit

Little Lady Locks supports children and young people experiencing hair loss by providing wigs, hair systems, accessories, and emotional support. Trustees confirm that they have had due regard to Charity Commission guidance on public benefit.

The charity's services directly improve the confidence, wellbeing, and social inclusion of children and families facing medical or non-medical hair loss.

Achievements and Activities During the Year

Growth in Service Demand

The reporting period saw a significant increase in referrals, demonstrating growing awareness of the charity's work and increasing demand for its services.

Premises Expansion

A major milestone during the year was the move into a larger building to accommodate the increase in referrals and overall growth of the charity. The new premises allow the charity to:

- Provide more private wig fitting areas
- Safely store wigs, hair systems, and accessories
- Improve operational workflow
- Support a larger volunteer base

Volunteer Contribution

The larger premises have enabled greater volunteer involvement. Volunteers have supported the charity by:

- Sorting donated hair
- Preparing fundraising packs

- Assisting with daily operations
- Supporting building works including painting, plastering, and renovation tasks

Trustees extend sincere thanks to everyone who has contributed their time, skills, and support.

Fundraising and Community Support

The charity organised another charity ball, which raised funds towards solicitor fees and the deposit for the new premises. Community fundraising and donor support have remained vital in sustaining services and supporting expansion.

Future Plans

Trustees have set plans to maximise the use of the new building and increase long-term sustainability:

- **Community Café** — A welcoming space for families and supporters, with profits reinvested into charity services.
- **Charity Shop** — A shop selling donated second-hand goods to the public, with all income generated being reinvested back into the charity to support service delivery and beneficiaries.
- **Wig Shop for Public Purchases** — Providing wigs to the public, with profits supporting the charity's core services.

Eliza Land Party Room

A large party room will be created and offered free of charge to terminally ill children and their families. This initiative was inspired by one of the charity's children, Eliza, whose family found it extremely difficult to find a suitable venue to hold a farewell celebration. *Eliza Land* will provide a joyful and meaningful space for families during the most challenging times.

In addition, the room will be available for hire to the public for children's parties, generating income to support the charity's work.

Financial Review

During the financial year 5 April 2024 to 4 April 2025, the charity's income was generated through donations, fundraising events, and ongoing community support. This income enabled the charity to continue delivering its core services to children and families while also supporting a period of significant development and growth.

Expenditure during the year focused on the provision of wigs and hair systems, accessories, and essential care products for beneficiaries. Additional costs related to securing and preparing the new larger premises, as well as operational expenses necessary to maintain service delivery, including insurance, utilities, supplies, and professional fees.

Trustees maintained oversight of financial activity throughout the year to ensure funds were applied in line with the charity's objectives and to support the continued sustainability of services in response to increasing demand.

Risk Management

Trustees remain aware of risks relating to safeguarding, financial management, health and safety, and operational delivery. Steps are taken to ensure appropriate policies, procedures, and controls are in place.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and financial statements in accordance with applicable law and regulations.

Trustees are responsible for keeping proper accounting records, safeguarding the assets of the charity, and taking reasonable steps to prevent and detect fraud and other irregularities.

TRUSTEE REPORT 2023-2024

Dear Trustees, Supporters, and Friends of Little Lady Locks,

As we reflect on another successful year for Little Lady Locks, I am proud to share the progress we have made in helping children across the UK by providing free hair loss services. Our mission has always been to provide not only wigs but hope to children suffering from hair loss, and this year we have continued to make significant strides in expanding our reach, raising awareness, and improving the lives of even more young people.

Social Media Growth and Increased Referrals

During the summer months, we saw a marked increase in our social media activity. By producing more content that resonated with our audience and engaging with our followers more effectively, we were able to boost awareness and attract new referrals. This increase in visibility directly contributed to the success of our second charity ball, which raised an incredible £6,442. This event was not only a fundraiser but also an opportunity to bring together the community that supports us and celebrate the difference we are making in the lives of children.

Christmas Campaign and New Referrals

As December approached, we launched a Christmas campaign with a heartwarming advert aimed at raising awareness about the services we offer. This campaign had a remarkable impact, tripling the number of new referrals we received each month thereafter. The positive response to this initiative highlights the importance of strategic outreach and the power of a well-executed campaign in spreading awareness about our cause.

Ashley's Business Working Group and Outreach Efforts

In March, our dedicated Founder, Ashley, put out a heartfelt plea for help and joined a business working group to further the charity's mission. Ashley has committed to attending every Friday, where her efforts have been instrumental in spreading the word about Little Lady Locks on a national scale. This collaboration has helped us to reach new supporters and expand our influence across the UK.

Acknowledgements and Gratitude

As always, none of this would have been possible without the incredible support of our wigmakers, volunteers, fundraisers, and the entire Little Lady Locks community. Your continued dedication, passion, and hard work are the heart of this charity, and we are immensely grateful for everything you do. From making the wigs that bring smiles to the

faces of children to organizing events and spreading awareness, you all play a vital role in helping us continue our work.

Conclusion

In conclusion, this year has been one of growth, outreach, and community spirit. With your continued support, we are confident that we can make an even greater impact in the year to come. Together, we can bring hope and dignity to children all across the UK, one wig at a time.

Thank you all once again for your unwavering support.

Warm regards,
Michelle Higgins

ANNUAL REPORT FOR 06/04/2022 TO 05/04/2023

We are thrilled to present the annual report for Little Lady Locks Children's Charity, highlighting the incredible achievements made possible through your unwavering support. This year has been a testament to the power of compassion and community, as we joined hands to bring smiles to the faces of children facing hair loss conditions.

Ashley The Charity Founder

Firstly, I would like to thank Ashley the charity founder who without her this amazing charity would not exist. Ashley is the visionary behind little lady locks, she is a force of resilience and dedication. Despite holding a full-time job, she dedicates every waking hour to the charity, she also takes on the majority of the workload. Ashley actively participates in various forums from meetings, social media platforms, TV and radio appearances. Also, she delivers talks not only in the Manchester area but across different regions throughout the country, this is to spread awareness and educate people about hair loss conditions and how it impacts children's lives. Her boundless passion and unwavering determination have been the driving force propelling little lady locks to its current success.

Wig Makers: Crafting Confidence, One Strand at a Time

Our heartfelt gratitude goes out to our dedicated wig makers, whose skilful hands and compassionate hearts have transformed the lives of countless little ones. Through their tireless efforts, they created not just wigs but a source of confidence and self-esteem for children battling hair loss conditions. Their commitment to our cause has been nothing short of inspiring.

Volunteers: The Heartbeat of Little Lady Locks

A special thank you to our volunteers, the backbone of our organisation. Your passion and commitment to making a difference have not only shaped our charity but have also left an indelible mark on the lives of the children we serve. Their selfless dedication is the driving force behind our success.

Donations: Fuelling Hope and Healing

We extend our deepest appreciation to all the generous donors who have contributed to Little Lady Locks Children's Charity. Their financial support has been instrumental in providing essential resources, ensuring that no child faces the challenges of hair loss alone. Their belief in our mission propels us forward, making a significant impact on the lives of those we aim to help.

Charity Ball: A Night of Awareness and Elegance

Our Charity Ball was a resounding success, bringing together supporters, sponsors, and advocates for an unforgettable evening. The event not only raised awareness about children's hair loss conditions but also generated funds to support our programs. We express our sincere gratitude to everyone who attended, sponsored, and participated in making the night a triumph.

Future Initiatives: Growing Together for a Brighter Tomorrow

Looking ahead, our vision for the future is to expand the reach and impact of Little Lady Locks Children's Charity. With your continued support, we aim to grow our charity, reaching more children and creating a lasting legacy of love and support for those facing hair loss conditions.

We provide children and Young people up to the age of 18 who are suffering with hair loss due to Alopecia or other hair loss conditions by the provision of wigs and hair systems including fitting and maintenance.

The First year accounts are only for 4 months due to how the financial year starts and ends. In these few months we organised a charity ball to raise money for Little Lady Locks. The ball will be financed by the sale of tickets, auctions, sponsors also companies who donated prizes for raffles, on the night we sold merchandise with the charity name on them. The money that was raised on the night of the charity ball will go towards making the wigs and systems and buying supplies we need to create these and also the fitting and the maintenance that is needed every 3 months.

We have started the process of advertising for hair donations from the public, so the hair can be made into wigs. We will also accept hair extensions that people no longer use. In our next year we will be looking into making hats and headbands with hair attached. At the moment we only have one wig maker that is not charging us but as the charity grows we will have to pay wig makes which will be around £300. We will also try to recruit more volunteers and hope to get businesses within the hair industry on board with doing haircuts, collecting hair donations and also fundraising in their salons to promote the charity.

We are very excited for the future of the charity and are so passionate with the work we do in and around England and with hard work and determination we will take Little Lady Locks global.
