

ROTARY CLUB OF READING THAMES CIO

END OF YEAR REPORT TO 30 JUNE 2023

The year 2022 to 2023 has been all about regaining stability of the club with regular meetings both in person and online. Because we are a very small club, any sort of fundraising is extremely challenging at the moment.

The income we received this financial year was for a possible charity event – an online quiz evening which had to be cancelled.

We sold £77.28 in ticket sales, however, our expenditure was a partial refund of £28.98 and use of STRIPE software of £10.34

Total Income received to 30 June 2023   £77.28

Total Expenditure paid out to 30 June 2023       £39.32

Total remaining in account £ 141.92
