

ROTARY CLUB OF READING THAMES CIO

END OF YEAR REPORT TO 30 JUNE 2024

During the year 2023 to 2024 Julia Marlow took over as President and while our charity activity never really got off the ground we did have more online and in person meet ups which were more of a social get together and not moving plans forward.

The huge barrier to this is really not having enough people to organise anything and with a lot of our members having very busy jobs and home commitments it's pretty impossible to organise anything unless we do individual events.

We appointed Ramesh to take over as President in 2024 to 2025 as Julia's term had come to a close.

Total Income received to 30 June 2024 £0.00

Total expenditure to 30 June 2024 £100.00 for a project being run by our Club in Maidenhead

Donated in November 2023.

Total remaining in account £ 41.92
