ANNUAL TRUSTEES REPORT

CHARITY NAME: LIVES IN FOCUS

CHARITY NUMBER: 1195994

FROM 1ST APRIL 2024 - 31ST MARCH 2025

This financial year was the third year that Lives in Focus was actively fundraising for future projects.

This year was a very challenging year for fundraising and as such our total fundraising decreased to just £851.

Our plan for the financial year April 2025 to March 2026 is to engage with a letter writer to apply for funding and also a part time Fundraising Manager to help us build a pipeline of donations.

We are also going to engage with voluntary Country Managers in Burundi and Kenya to increase our coverage in more East African countries.

ANNUAL TRUSTEES REPORT

CHARITY NAME: LIVES IN FOCUS

CHARITY NUMBER: 1195994

FROM 1ST APRIL 2023 - 31ST MARCH 2024

This financial year was the second year that Lives in Focus was actively fundraising for future projects. We are pleased to say that we raised a further £4384.90. We are delighted to have raised this money and have been proactive in spending some of this on a film to help spread the word of our charity whilst also providing 40 desks (to sit 120 children) across 4 schools in Moshi, Tanzania.

We are planning a trip in 2025 to run further workshops for the communities we have already worked with in Tanzania.

When we have raised enough funding we would like to employ a part time member of staff to help us raise more funds and therefore run more workshops.
