Report of the trustees for the year ended 31st March 2025

The trustees present their annual report and financial statements of the charity for the period ended 31st March 2025. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland published (FRS 102) (effective 1 January 2019).

Objectives and activities

The purpose of the charity is to support lesbian and bisexual asylum seekers and refugees.

The main activities are:

- i. Holding monthly support group meetings.
- ii. Raising funds and inviting contributions to finance the work of the Group.
- iii. Providing practical support to those members seeking asylum as appropriate, including accompanying members to immigration tribunals, collecting signatories for anti-deportation petitions, writing letters to support member's asylum claims.
- iv. Signposting members on to other service providers for support on issues outside the scope of the Group's remit.
- v. Organising social activities and trips for the Group members.
- vi. Publicising the work of the Group including liaising with other organisations offering services to the LGBT community, or asylum seekers and refugees.

A review of our achievements and performance: How our activities delivered public benefit

We were able to continue to build up the group's activities during this period. Unfortunately, several long-standing volunteers and trustees were affected by illness and personal circumstances, so we need to recruit and train new ones. Monthly face-to-face members' meetings remained the bedrock of our activities.

Report of the trustees for the year ended 31st March 2025

In spite of these difficulties, we continued to support members through the asylum process, both individually and as a group. Subsistence payments and shopping vouchers continued to be provided.

Financial review

We were successful in obtaining a significant grant from the Smallwood Trust Women's Urgent Support Fund over three years. This means that we can continue and increase our core work of supporting members going through the asylum system. We were able to provide them with supermarket vouchers to buy food, and some social activities, as well as making the regular subsistence payments to those without recourse to public funds. In addition, we supported our members to attend a three-day conference in Glasgow.

A fundraising event, as well as regular donations from individual supporters also contributed to a financially successful year. The latter will no doubt continue into the coming year, but further grant funding needs to be found as well.

Investment powers and policy

Most of the Charity's funds are to be spent in the short term so the opportunities for longer term investment are limited. The Charity aims to maintain an adequate level of reserves to ensure it can continue to provide the services of the group.

Reserves policy and going concern

The balance held in unrestricted reserves at 31st March 2025 was £22,202, which all are free reserves.

The Trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately six months of unrestricted charitable expenditure. The Trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that support and governance costs are covered.

The Charity's main source of income is grants. The Trustees consider that it is appropriate to prepare the accounts on a going concern basis and, consequently, the accounts do not include any adjustments that would be necessary if these sources of income should cease.

Risk management

The trustees have conducted a review of the major risks to which the Charity is exposed and systems have been established to mitigate those risks. Internal control risks are minimised by the implementation of authorisation procedures for all transactions and projects. Procedures are in place to ensure compliance with health and safety requirements of volunteers and visitors.

Plans for Future Periods

The main objectives for 2025-26 are:

- Develop the monthly meeting which is at the core of our work
- Further volunteer recruitment and training
- Build social activities and support for our members

Structure, governance and management

The Charity is a registered Charity and is constituted under a trust deed dated 6th March 2021 and amended on 20th September 2021.

Appointment of trustees

Jane Traies and Prossy Kakooza continued as trustees. They had been recruited by an appeal to the LISG supporters' network. However, going forward we hope to be able to develop our links with FiLiA, a much larger charity.

Trustee induction and training

The trustees appointed at the AGM all had previous knowledge and/or experience of the way LISG works, so needed minimal induction.

In preparing the Financial Statements, the Trustees are required to:

- Select suitable accounting principles and then apply them consistently;

For the year ended 31 March 2025

1 Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year.

Basis of accounting

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) (effective 1 January 2019), and the Charities Act 2011.

Funds structure and accounting

Restricted donations are available for the charity's use only in accordance with the terms under which, and for the purposes which, the funds were donated to the charity.

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

The nature and purpose of each fund is set out in Note 7.

Income recognition

All income is included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable.

Expenditure recognition

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes VAT which cannot be recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the independent examination fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the statement of financial activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor area or estimated usage, as set out in Note 3.

Tangible fixed assets

All assets with a cost of less than £500 are expensed.
