Charity registration number: 1196005

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To relieve sickness and preserve and protect health for the public benefit by providing funding for childhood cancer research projects primarily in the UK in order to improve outcomes for childhood cancer sufferers by finding safer and more effective treatments at a fast rate.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The Childhood Cancer Research Trust started to raise money. It negotiated to collect the proceeds from selling two classical music CDs via its website and also secured funding commitments which came to fruition the subsequent year.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In order to provide the maximum benefit for the public, all funds raised are currently committed to research with no overheads, salaries or administration costs deducted. In the year 2022, the charity discussed with The Concorde Initiative ways in which funds could promote research into safer and more effective treatments for children with cancer.

Policy on social investment including program related investment	Para 1.38	

Contribution made by volunteers	Para 1.38	Currently, the Chair, Oonah Buist is contributing extensive man hours to fund raising and monitoring the efficacy of the research with the Medical Director.
