*This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.*

**INCOMING RESOURCES**

<b>Recognition of incoming resources</b>	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> <li>the charity becomes entitled to the resources;</li> <li>the trustees are virtually certain they will receive the resources; and</li> <li>the monetary value can be measured with sufficient reliability.</li> </ul>
<b>Incoming resources with related expenditure</b>	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
<b>Grants and donations</b>	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
<b>Tax reclaims on donations and gifts</b>	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
<b>Contractual income and performance related grants</b>	This is only included in the SoFA once the related goods or services have been delivered.
<b>Gifts in kind</b>	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.  Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.  Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
<b>Donated services and facilities</b>	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
<b>Volunteer help</b>	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
<b>Investment income</b>	This is included in the accounts when receivable.
<b>Investment gains and losses</b>	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

**EXPENDITURE AND LIABILITIES**

<b>Liability recognition</b>	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
<b>Governance costs</b>	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
<b>Grants with performance conditions</b>	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
<b>Grants payable without performance conditions</b>	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
<b>Support Costs</b>	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

**ASSETS**

<b>Tangible fixed assets for use by charity</b>	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
<b>Investments</b>	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Para 1.17 and 1.19	The charity undertook 2 projects during this financial period, one funded by the Community Foundation Fund and the other by Meeting Places CIO. One project was the delivery of music and creative arts workshops working with disadvantaged and marginalised students of Darwen, offering engagement in the recording studio in the form of music making activities, videography, podcasting, photography, and animation. The other was a series of music workshops and performance events working with the under privileged young people of Darwen who attended Meeting Places CIO.

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	During this financial period the projects have worked directly with around 100 beneficiaries – young people aged between 11 – 18 from Darwen and the surrounding areas who come from socioeconomic deprivation and who are recognised as marginalised and hard to reach. Both projects were user led and remained dynamic throughout. All young attendees were engaged in activities pertinent to their interests and were encouraged to work towards accreditation where appropriate. All were fed and given refreshments whilst attending the projects – this was deemed necessary as many young people were not adequately eating at home. Many of the young people were frequently absent from mainstream education, however, there was a significant increase in attendance post project.

Investment performance against objectives	Para 1.41	Although the projects had start and end dates due to financial constraints, the organisation over performed in the delivery, in terms of numbers of attending beneficiaries and accreditations achieved.

## Trustees' Annual Report for the period

From 01/10/21 To 31/07/22

Charity name: We Are Noise C.I.C

Charity registration number: 1196010

### Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To relieve those living in conditions of need, hardship or distress, suffering from mental or physical disability or the effects of poverty or sickness by the provision of music education therapy, digital media and photography training and to advance education for such individuals through music studio based workshops and training sessions in digital media and photography.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The charity undertook 2 projects during this financial period, both funded directly from the National Lottery Fund. One project was the creation of an after school digital club working with disadvantaged and marginalised young people of Darwen, offering engagement in the recording studio in the form of music making activities, videography, podcasting, photography, and animation. The other was a Platinum Jubilee celebration project working with hard-to-reach young people suffering from social deprivation and economic isolation.

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	During this financial period the projects have worked directly with around 80 beneficiaries – young people aged between 11 – 18 from Darwen and the surrounding areas who come from socioeconomic deprivation and who are recognised as marginalised and hard to reach. Both projects were user led and remained dynamic throughout. All young attendees were engaged in activities pertinent to their interests and were encouraged to work towards accreditation were appropriate. All were fed and given refreshments whilst attending the projects – this was deemed necessary as many young people were not adequately eating at home. Through qualitative and quantitative questionnaires, we found that 82% of all participants finished the programmes with a higher degree of self-esteem and confidence than when they first arrived. We also observed an increase in positive communication between the facilitators and young people and that of their peer groups.

## Accounting policies

## 2.2 INCOME

- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

Yes\*

## Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Yes\*

## Grants and donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

Yes\*

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

Yes\*

## Legacies

Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Yes\*

## Tax reclaims on donations and gifts

Yes\*

## Contractual income and performance related grants

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

Yes\*

## Donated goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

Yes\*

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Yes\*

Yes\*

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.
