1 ACCOUNTING POLICIES

1a Basis of accounting

The accounts have been prepared under the historical cost convention in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) and comply with the Companies Act 2006, and on accrual basis. The principal accounting policies adopted in the preparation of the financial statements are as follows:

1b Tangible fixed assets

Fixed assets costing in excess of £2,000 are capitalised and are shown at historical cost.

Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its estimated useful life, by the straight line method, over the following periods:-

Leasehold improvements	over 3 years
Computers	over 3 years
Fixtures, fittings and equipment	over 4 years

No fixed asset above the £2,000 was purchased in the year, therefore no depreciation charge was due.

1c Taxation

The charity is liable to meet its statutory obligations on Corporation Taxes Act 1988.

1d Pensions

No pension contribution is payable by the charity during the year.

1e Incoming resources

All incoming resources are included in the financial statement when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy, inclusive of VAT.

1f Outgoing Resources

All resources expended are included in the financial statement on an accrual basis inclusive of VAT.

1g Cash flow statement

The charity has taken advantage of the exemption in Financial Reporting Standard No 1 from producing a cash flow statement on the grounds that it is a small charity.
