Committee of Members' responsibilities

The charity law requires the committee of members to prepare financial statements for each financial year, which give a true view of the financial activities of the charity and of its financial position at the end of that period. In preparing those financial statements, the committee of members is required:

- a) Select suitable accounting policies and apply them consistently;
- b) Make judgements and estimates that are reasonable and prudent;
- c) State whether the policies adopted are in accordance with applicable accounting standards and statements of recommended accounting practices, subject to any material departures disclosed and explained in the financial statements;
- d) Prepare financial statements on a going concern basis unless it is inappropriate to assume that the charity will continue in operation.

The committee of members is responsible for keeping proper accounting records, which discloses with reasonable accuracy at any time, the financial position of the charity and to enable them to ensure that the financial statements comply with Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Examiners Report

We have examined the financial statements in this report, which have been prepared following the accounting policies, set out in the report.

Respective responsibilities of trustees and examiners

As described in report, the trustees of the Kingdomway Ministries are responsible for the preparation of financial statements. It is our responsibilities to form an independent opinion, based on our examination, on the statements and to report our opinion to you.

Basis of opinion

We conducted our examination in accordance with standards charity accounting and independent examination. The examination is on test basis, of the evidence relevant to the amount of disclosures in the financial statements.

It includes an assessment of the significant estimates and judgements made by the committee of the members in preparation of the financial statements and whether the accounting policies are appropriate to the charity's circumstance, consistently applied and adequately disclosed.

We planned and performed examination of the documents to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or other irregularities or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of the information in the statements.

Opinion

In our opinion the financial statements give a fair view of the state of the charities affairs at 5th April 2024 and of its surplus for the period ended and have properly prepared in accordance with regulations of Charities Act.
