New Trustees are recruited following their recommendation by existing trustees or members of the charity. Trustees are elected by members annually at the annual general meeting.

Upon appointment, new trustees are inducted into the work of the charity via existing trustees and also provided with Charity Commission guidance on the role and responsibilities of being a trustee (CC Guidance: The essential trustee).

Trustees are also provided with and inducted into the Grant Making Policy and all documents pertaining to this as detailed in the policy.

Supporters can register as members and are invited to general meetings. We have 10 members not including trustees.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The relief of sickness and the preservation of health of people with physical and mental disabilities living in Sri Lanka and in particular but not exclusively by the provision of grants to charities or other organisations working to further this purpose for the public benefit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Our aim

Prithi UK provides specific support to organisations in Sri Lanka that, in turn, support children and adults with disabilities, principally through the provision of grants.

Through grant provision, Prithi UK's main objectives are to:

- 1) Enhance the quality of life for people with disabilities in Sri Lanka through the improvement of facilities, care and educational provision, rehabilitation support and work opportunities.
- 2) Improve outcomes for people with disabilities in Sri Lanka in order for them to meet their full potential.
- 3) Promote inclusion in education, work and community activities for people with disabilities in Sri Lanka.
- 4) Improve social acceptance in the wider community for people with disabilities in Sri Lanka.

- 5) Promote greater social equality in Sri Lanka.
- 6) Improve knowledge and awareness of disability in Sri Lanka and the UK.

Main activities

Prithi UK achieves its aims and objectives via the following activities:

- 1) Provision of grants using a strict assessment and evaluation criteria
- 2) Encourages supporters to donate
- 3) Generates funds through the sale of merchandise and ticketed events
- 4) Promotes awareness of and 'best practices' in relation to those living with physical and intellectual disabilities in Sri Lanka
- 5) Recruits potential volunteers to apply to volunteer directly with partner organisations.

Public benefit

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities. The beneficiaries of the charity are those who received grants. The Trustees do not consider that the charity's activities include any potential detriment or harm or that they convey any significant incidental private benefit.

Additional details of objectives and activities (Optional information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The **Grant Making Policy** agreed by trustees on 6th February 2021 sets out the criteria for who Prithi UK benefits and who it supports. The policy sets out the principles, criteria and processes of how Prithi UK makes grants. A copy of this is available upon request to members.

Trustees have confirmed that reporting requirements from Prithipura Communities have been met. Funding agreements meet Prithi UK's objectives and we are satisfied that all monitoring and due diligence requirements had been met so far.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Grant making

- From April 2022-March 2023, Prithi UK made grant payments totalling £33,109 for the following projects to Prithipura Communities in Sri Lanka:

Date	Amount (£)	Purpose
08/09/2022	£970.00	Salaries 2022 (Jan- Dec 2022)
16/09/2022	£1,000.00	Euroclear projects
05/10/2022	£12,139.00	Euroclear projects
24/10/2022	£9,000.00	Salaries 2022 (Jan- Dec 2022)
27/03/2023	£10,000.00	Salaries 2023 (Jan - Dec 2023)
TOTAL	£33,109.00	

Fundraising

Last year's fundraising included:

£2,900 from Paul's Coast to Coast – Paul de Kretser and 2 friends walked from the west to the east coast of Northern England, a total of 191 miles long and was able to generate interest and support to Prithi UK. Special thanks to Paul and friends for your support and all those who donated.

£1,413 from the Active April 2022 campaign - Once again Laura and Tom Egerton coordinated Active April, encouraging members and their friends to do something active in April and raise funds in the process. Grateful thanks to Laura, Tom, all those who took part in active April and those who donated.

A gift aid claim from 22/23 of £876 from Givey donations will be made in October 2023 and reflected in the 23/24 accounts.

We have a steady income of about £500 per month from 13 regular donors who each donate between £5 and £160 per month into the Prithi UK HSBC account.

Impact of funding

Once again, we've had great reports on the impact of our recent funding.

Supporting livelihoods

The funding we gave for salaries in 2022 supported 11 members of the team including care staff, kitchen staff, agricultural staff and the accountant. Together with other funding sources, our funding allowed Prithipura Communities to increase salaries to market rates. The grant funded nearly 25% of the total salary expenditure. It is predicted that the funding for salaries provided in 2023 will fund nearly 20% of the salary budget.

We are proud that we've been able to support Prithipura Communities in this way for a number of years. Historically it has been a challenge for Prithipura Communities to find adequate funding for this.

Sustainable funding for salaries is so important and has the following benefits:

- Better salaries promote staff retention –
 - great for staff welfare and
 - a strong, dedicated, long-term team is especially vital for the well-being and development of those who live at Prithipura Communities where staff in some ways act as residents' families.
- It allows the organisation to be innovative and develop long-term plans without having to worry about how they will pay staff.

Acting in line with current sector best practice

More and more, the charity sector in the UK is advocating for more flexible funding from grant makers and for charities to have more opportunities to use grants for running costs and core costs. Core costs are the basic costs that enable an organisation to do what it does. Funders are responding to this positively. They recognise that power needs to be more balanced between funders and the organisations they fund and charities are best placed to say where money is most needed. We are proud that we have a track record of listening to what Prithipura Communities needs and responding appropriately.

Corporate funded projects

We were also delighted this year to receive funding from the Euroclear corporation. This meant Prithi UK was able to give a grant for some important infrastructure work and projects as outlined in the table below.

Table: projects at Prithipura Communities funded by a grant of Euroclear funds from Prithi UK

Item	GBP
Cotagala School - Ceiling	1,548
Cotagala School - Agricultural Fence	2,728
Cotagala School - Computer Facilities	3,024
Cotagala School/Asokapura Farm - Road Improvements	5,419
Prithipura Infants Home - Replacement Window Panes	420
TOTAL	13,139

At Cotagala School – a school for people with disabilities run by Prithipura, this funding was used to:

- improve residential accommodation
- help develop agricultural activities – also at Prithipura's Asokapura Farm
- increase learning opportunities
- improve access between Asokapura Farm and Cotagala School.

At Prithipura's Infants' Home, this funding was used to replace glass windows with polycarbonate sheets. This improved safety in the baby room and ensured the area retained good natural light.

Section E

Financial review

Brief statement of the charity's policy on reserves

Trustees have agreed that only a minimal amount of reserves are needed given the nature of its work as a grant giving organisation the fact that it is a volunteer led organisation with no paid staff or other responsibilities.
